THE BEST ELECTRIC BELT

GERMAN ELECTRO-GALVANIC BELT

250,000 SOLD LAST YEAR IN GERMANY

GOOD AGENTS WANTED EVERYWHERE

A Positive Cure for Rheumatism - Liver, Stomach and Kidney Diseases - Diseases of the Blood - Skin Diseases - Female Complaints - Paralysis - Neuralgia - Catarrh - Lame Back - and Nervous Debility.

Having obtained the sole right to sell the German Electro-Galvanic Belt in America from the inventor, Prof. Conrad Ziegenfust of Berlin, we are determined, whatever may be the cost, to introduce them here at once. The price of the Belt has always been Six Dollars (\$6.00) but to induce invalids to give it a trial we will, for the next ninety days, send the German Electro-Galvanic Belt for ONE DOLLAR, provided you will cut out and send us the annexed coupon, and give us your written promise to recommend the Belt if you find it as represented. This Belt is without doubt the best, strongest, and most scientifically constructed Electric Appliance ever introduced, being the invention of the great German Electrician, Prof. Ziegenfust, and has met with the most marvelous success in Europe, being recommended and endorsed by the entire Medical Profession of Germany. The inventor has in his possession letters from Prince Bismarck and several members of the Royal Family. A quarter of a million of them were sold in the German Empire last year. These Belts, unlike many so-called electric appliances, are very light and not disagreeable to wear, and generate a current that can be immediately felt. Their action is stimulating and at the same time soothing; causing the Stomach, Liver, Kidneys and Nervous System to act as nature intended they should; curing thousands of cases that internal medicines failed even to relieve. Under no circumstances can it do any harm and must do good no matter what is the complaint. They are made of cloth, silk lined, and the electric disks are so arranged they retain their strength 30 years.

An Old Soldier's EXPERIENCE.

"Calvert, Texas, May 3, 1882.  
"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

4/52  
as a cough remedy.  
"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try AYER'S CHERRY PECTORAL.  
"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases.  
J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.

INTERNATIONAL AND COLONIAL EXHIBITIONS.

Antwerp in 1885 - London in 1886.

It is the intention to have a Canadian representation at the INTERNATIONAL EXHIBITION at Antwerp, commencing in May, 1885, and also at the COLONIAL AND INDIAN EXHIBITION in London in 1886. The Government will defray the cost of freight in conveying Canadian Exhibits to Antwerp, and from Antwerp to London, and also of returning them to Canada in the event of their not being sold. All Exhibits for Antwerp should be ready for shipment not later than the first week in March next. These Exhibitions, it is believed, will afford favorable opportunity for making known the natural capabilities and manufacturing and industrial progress of the Dominion. Circulars and forms containing more particular information may be obtained by letter (post paid) addressed to the Department of Agriculture, Ottawa. By order,

JOHN LOWE, Secy., Dept. of Agriculture, Ottawa, December 19th, 1884.

Guizot's CELEBRATED ILLUSTRATED HISTORY OF France

REDUCED IN COST from \$33.00 to \$8.00, or comparing contents fairly from \$49.50 to \$5.00, for the only other American edition of GUIZOT comes down TO The French Revolution, only, and is continued to Napoleon III. by MARTIN, and \$49.50 is the published price of the two works. THIS ILLUSTRATED LIBRARY EDITION covers from the earliest times to 1848, is written by M. GUIZOT, Prime Minister of France, and completed from his notes by his daughter, Madame GUIZOT DE WITT. It is published in 8 volumes, small octavo printed from the type shown by these lines, contains the 426 Illustrations, mostly full-page, of the imported edition, is bound in tasteful Library style, dark green cloth, beveled boards, gilt tops. Price of the set, only \$8.00 by express, or, sent prepaid for \$9.60.

"There is only ONE DRAWBACK... it seems more like getting a present than making a purchase. Guizot is the most brilliant of French historians, as well as the most to be relied upon. He is the Macaulay of the history of France; his style and treatment are philosophical, didactic, rich in detail, dramatic in arrangement. His narrative is full of emotion, like a quick stream; his characters rise before us as in the flesh; they are men and women, not historical figures. It is as charming as any romance, and the interest is permanent. It is a work to keep and read and re-read for years." - Dominion Churchman, Toronto, Canada.

"In ENGLISH, at least, original or translated, we have NO WORK of French history that CAN APPROACH IT. We can name no work that gives the complete history,

and gives it from the pen of a master, that can be thought of as a rival to the mammoth production of Guizot. How Mr. Alden can give the eight volumes, and this on good paper, and clear type, including the multitude of illustrations, is a thing we have CIPHERED over, but we fail to understand it. The first volume gives substantially the beginnings of French history. It is of necessity the duller of the eight, yet with Guizot even logarithms would be readable." - Christian Leader, Boston, Mass.

"The MARVELOUS CHEAPNESS of these profusely illustrated and handsomely bound volumes must provoke comment everywhere. Each volume is easily worth \$2.00, according to the standard of prices asked. This is the only complete American edition of this work, which is known as the best popular history of France." - Journal, Indianapolis, Ind.

"In the reproduction of this work the publisher has outdone all previous efforts, and has given us a MARVEL of EXCELLENCE, in every respect, at a marvel of cheapness." - Christian at Work, New York.
