Successful Business Men

Finding it to their advantage to invest most of their funds in their business, too often neglect securing sufficient insurance on their lives for the benefit of their wives and families. They are generally aware of the great value of insurance as a protection to the estate but being so deeply engrossed in matters affecting their particular business, overlook to a large extent this important matter.

Some, however, are averse to placing a large amount of insurance on their lives owing to the exceedingly high premium rates chargeable on investment plans in comparison with those omitting the investment element.

THE COMMERCIAL POLICY

OF THE

North American Life Assurance Co'y.

Furnishes the maximum amount of insurance at the minimum amount of cost, and is principally sought after by those desiring to place large insurances on their lives; under this Plan of Insurance the investment element is eliminated.
