## COMMERCIAL SUMMARY.

The London *Times* again calls on Mr. Mundella, president of the Board of Trade, to resign.

Rainy Lake mining district is experiencing a tremendous boom. Mining men are flocking there by hundreds.

Rate cutting in the transatlantic steamerage business has carried the price of passage from London to New York to \$12.50.

There are 105,312 Chinese in the United States, according to the returns of the number registered under the Exclusion Act.

There is no doubt but what the business man who keeps his credit good can do a larger and more successful business on small capital than a man who, with a moderate cash capital is burdened with a tarnished and questionable reputation as to his reliability. Hence it is that we make the assertion, good credit is better than large capital.

## Montreal Smelting and Refining Works.

G. Langwell's Babbit Metal.

This Babbit, or anti-friction metal, is the best that is manufactured, and is made in numbered grades, containing certain percentages of copper, tin, antimony, etc. Every block is stamped, "G. LANGWELL'S BABBIT."

A trial will convince users of its superiority.
