

## Gerhard Heintzman PIANOS

There are many good pianos made in Canada. Most of them are represented in our warerooms. Nevertheless it is an absolute fact that, despite the variety of makes from which good pianos may be chosen, **The Gerhard Heintzman Piano** remains the ultimate hope and ambition of nearly every piano player in Canada.

We will be pleased to make quotations and mail catalogues of these celebrated pianos upon application.

Prices reasonable, terms easy. Old pianos and organs taken in part payment.
