#### DIOCESE OF ONTARIO.

THE Synod of this Dioceso met in Kingston on Tuesday, the 17th ult. A large number of the clergy and lay delegates were in attendance. The Bishop's address was able and eloquent. From it we gather that nearly 1,700 persons have been confirmed since his previous Charge. From the Kingston papers, kindly sent us by the Rev. S. Tighe, B.A., we gather that an exciting debate, which occupied part of two days, arose on the discussion of certain charges which have appeared in anonymous letters in the Evangelical Churchman reflecting upon Archdencon Parnell's management of the funds of the Diocese.

A select committee having been appointed, brought in a report entirely exculpating the Archdeacon, but admitting that a few irregularities had arisen, although causing no loss to the Church. The Diocese, it appears, has nearly \$300,-000 of funds in hand.

Efforts are being made to divide the Diocese and form an additional one, to be called the Diocese of Ottawa. A committee has been appointed to report upon the subject.
