

Why does this man stare so? He is simply listening to the marvelous cures effected by Dr. Pierce's Golden Medical Discovery.

The following case illustrates:

February 14th, 1890.

WORLD'S DISPENSARY MEDICAL ASSOCIATION. Buffalo, N. Y.:

Gentlemen—A remarkable case has occurred in our territory. J. N. Berry, a man about thirty years of age, was going down rapidly. He tried physician after physician, patent medicines, home receipts—in fact, everything. He went to a noted sanitarium and returned no better. We all thought he was dying with consumption, and only a few weeks of life were left for him.

He commenced "Golden Medical Discovery," and at the same time commenced to mend. He has used about two dozen bottles, and is still using it. He has gained in weight, color and strength, and is able to do light work. It is just such a case as we should have listened to rather suspiciously, but when we see it we must believe it.

It has trebled our sales of "Golden Medical Discovery."

JOHN HACKETT & SON, Druggists, Roanoke, Ind.

In all bronchial, throat and lung affections, lingering coughs, spitting of blood, weak lungs and kindred ailments, the "Discovery" effects the most marvelous cures.
