THE NEW EMPIRE

REFLECTION UPON ITS ORIGIN AND CONSTITUTION, AND ITS RELATION TO THE GREAT REPUBLIC.

By O. A. HOWLAND, of Osgoode Hall, Barrister-at-Law.

The author is not an "Imperial Federationist," but he is a believer in a United Empire. The aim of the work is to show that the Empire actually possesses a Federal Constitution, requiring rather to be declared than created, and easily susceptible of such amendments as seem to be required. The author suggests what these amendments should be. He also traces the growth of the spirit, upon which the modern Constitution rests, to its beginnings in the struggle with the old Colonies, and shows how the modern Empire realizes the dreams not only of the U. E. Loyalists, but of the best of the American Revolutionists.

FROM "THE WEEK."

"From his familiarity with the subject matter of his work and the ability with which he is accustomed to state his views, the publication of "THE NEW EMPIRE" will be regarded with interest. The mechanical features of the work will greatly enhance the reputation of the publishers."

The phosphates of the system are consumed with every effort, and exhaustion usually indicates a lack of supply. The Acid Phosphate supplies the phosphates, thereby relieving exhaustion, and increasing the capacity for labour. Pleasant to the taste.

Dr. A. N. KROUT, Van Wert, O., says: "Decidedly beneficial in nervous exhaustion."

Dr. S. T. NEWMAN, St. Louis, Mo., says: "A remedy of great service in many forms of exhaustion."

BEWARE OF THE MANY IMITATIONS.

"IT'S ONLY A COUGH" has brought many to untimely graves. What is a cough? The lungs, throat or bronchial tubes have been attacked by a cold; nature sounds an alarm-bell telling where the disease lies. Wisdom suggests "TRY Wistar's Balsam of Wild Cherry;" It has cured thousands of persons. As long as you cough there is danger, for the cough is a Danger Signal. Use "Wistar" and be cured. None genuine unless signed "I. BUTTS" on wrapper.
