Educated Men and Life Insurance

Educated men should not and do not
in most instances require to be told
that men who abstain from the use of
intoxicants are better risks and live
longer than non-abstainers. They
know too that careful selection of risks,
economy in management and judicious
investment of funds is what is neces-
sary to make a company a great suc-
cess.

These features characterize The
Temperance and General Life Assur-
ance Company, and commend it to the
confidence of all intending insurers.
No other Company in America has got
such a body of total abstainers classed
by themselves.

H. Sutherland,
Manager.

Hon. G. W. Ross,
