

## Tomorrow — and Forever Not a Corn

This is what we promise you, after 15 years' experience.

After ending, in this simple way, millions of corns.

After clinical tests, in countless cases, under medical direction. We believe that half the people in this country now know the facts we state here. And they do not suffer corns.

Apply a Blue-jay plaster to your corn tonight. It will never pain again. Tomorrow you'll awake to freedom. Wear any shoes you wish.

In two days—usually—the corn will disappear. If not, just ap-

ply another Blue-jay, and the toughest corn will end.

It means no brief relief. The whole corn disappears for good.

New corns may come if you continue tight shoes. But, at the first sign, a Blue-jay will stop it. You never need feel a pain.

Stop paring corns. Stop inefficient treatments. Try this way once—the scientific way. It will show you how to end forever any trouble with a corn.

If it doesn't, write to us, and we will send you our apology. Try Blue-jay tonight.
