# Central Station Power

Solves the problem of your  
factory production. It  
gives you the

**ELASTICITY**—that enables you to increase the capacity of your plant without remodelling your entire equipment.

**RELIABILITY**—that insures you against breakdowns or shutdowns for repairs.

**ECONOMY**—that cuts down your overtime expense, that makes it unnecessary to operate the plant when one machine is needed.

Our engineers will be glad to advise you on your power problems. Phone, Seymour 5000.
