Compensation for Losses

Investors of one Contracting Party who suffer losses because their investments or returns on the territory of the other Contracting Party are affected by an armed conflict, a national emergency or a natural disaster on that territory, shall be accorded by such latter Contracting Party, in respect of restitution, indemnification, compensation or other settlement, treatment no less favourable than that which it accords to its own investors or to investors of any third State.

Expropriation

(1) Investments or returns of investors of either Contracting Party shall not be nationalized, expropriated or subjected to measures having an effect equivalent to nationalization or expropriation (hereinafter referred to as "expropriation") in the territory of the other Contracting Party, except for a public purpose, under due process of law, in a non-discriminatory manner and against prompt, adequate and effective compensation. Such compensation shall be based on the genuine value of the investment or returns expropriated immediately before the expropriation or at the time the proposed expropriation became public knowledge, whichever is the earlier, shall be payable from the date of expropriation at a normal commercial rate of interest, shall be paid without delay and shall be effectively realizable and freely transferable.
