

ANNEX A

PART A

(i) Information, equipment, nuclear material and material transferred between the Parties;

(ii) Equipment and facilities which the recipient Party, or the supplying Party after consultations with the recipient Party, has designated as being designed, constructed or operated on the basis or by the use of the information referred to above, or information derived from equipment referred to above;

(iii) Material and nuclear material that is produced, processed, or used by or with the use of any equipment or facility referred to in (i) or (ii) above;

(iv) Nuclear material that is produced, processed, or used by or with the use of any nuclear material or material which is referred to above;

(v) All subsequent generations of nuclear material produced on the basis of or by the use of nuclear material referred to in paragraphs (i), (iii) and (iv) above.

PART B

Without restricting the generality of Part A above in the case of significant transfers of information or equipment related to the enrichment or reprocessing of nuclear material or the production of heavy water, and upon notification of such significant transfers by the supplying Party, for a period of twenty years from the first operation of such equipment or of equipment or facilities using such information that equipment in any facility whose design, construction or operating processes are of the same or similar type as the facility designed, constructed, fabricated or operated on the basis of or by the use of such information or equipment shall be deemed to be equipment referred to in paragraph (iii) of Part A above.
