I, LOWTHER GARDENS,  
EXHIBITION ROAD,  
LONDON, S.W.7.

16th June 1932

The Vice-Chancellor,  
McGill University.  
Montreal.

Sir,

I am directed by the Trustees of the Garton Foundation to forward for your information the enclosed papers concerning their Studentship in the Social Sciences, and to invite the Governing Body of the McGill University to recommend a candidate for the award to be made in 1933, which will be competitive.

The Studentship is intended to enable exceptionally qualified students to undertake a research in the social sciences and is intended to benefit those who are largely, if not entirely, dependent on their own resources.

The Studentship will be of the value of £400 per annum with conditional allowances as laid down in the Regulations enclosed, and will be tenable for two years.

If your University desire to recommend a candidate for next year's award may I ask that the application papers, and necessary documents, may reach me not later than 1st February 1933. In the event of no recommendation being received from you by that date the Trustees will assume that the University is not putting forward the name of any candidate.

I am, Sir,  
Your obedient servant,

*Maunier*  
Secretary to the Trustees.
