

# Ten Goal Lead for Weston's Good Team

## WESTON LOOK LIKE EASY CHAMPIONS TEN GOAL MARGIN

Swamped Orangeville in First of Home and Home Games for Intermediate Honors.

SCORE TWELVE TO TWO Northern Town Team Only Made It Interesting in the Second Quarter.

With the exception of the second quarter, when some fine lacrosse was played, the game between Weston and the Dufferin of Orangeville for the intermediate championship of the O.A.A. was a very one-sided affair, and the former team ran out winners by 12 to 2. The game, which was the first of the home-and-home series, was played on the Agricultural Grounds at Weston, and was a public holiday for the occasion, practically the whole town was present, and a large contingent attended from Orangeville. At 3.15 the teams lined up as follows:

Weston—Goal, Rowntree; point, McEwen; cover, Holly; defence, Ramshaw, Lacey, centre, Clayton; home, H. Coulter, G. Coulter; outside, Dickson; inside, Smith. Orangeville—Goal, Booth; point, Cushing; cover, Chapman; defence, Cranston, Scott; centre, Stevenson; home, Keith; Ewing; outside, O. Brown; inside, J. Brown.

First Quarter. Weston won the draw and attacked from the start, but good checking prevented a score. G. Coulter rushed thru, but shot wildly when favorably placed. After eight minutes Clayton drew the flag for Weston, hanging a pass from H. Coulter hard into the net. The exchanges were fast, but when in front of goal, both teams missed opportunities. Clayton and O. Brown tried shots, but Rowntree managed to get his stick in the way and sent the ball behind the net. Gordon Coulter hooked Weston's second, and immediately afterwards Weston was struck in the eye and Smith was sent to the bench for five minutes. First quarter: Weston 2, Orangeville 0.

Second Quarter. Play rapidly improved in the second quarter, and several hard attempts by the Coulters were frustrated by the fine work of the defence. G. Coulter got wormed his way thru and beat Booth for the second time. Weston were the much heavier team, and they used it to good advantage, the Dufferin's attempt at body checking was futile. At last, however, they made a vigorous onslaught on the opposing goal, and for a full minute in good combination, but they could not penetrate the heavy defence. Weston warmed up and Dickson scored again. The first goal was scored by Dickson, and Ewing had his pass intercepted by a man over the head and was ruled off for five minutes. Orangeville continued to pass well, but in front of goal they were very erratic. Half-time: Weston 4, Orangeville 1.

Third Quarter. Weston got away from the face-off, and Ramshaw sent a pass from G. Coulter wide of the mark. G. Coulter got the fifth goal while Booth's back was turned. Ramshaw hit the post with a hot shot, and J. Brown ran down to the end, but shot wide. Weston were now out-playing their opponents, and H. Coulter slushed a terrific shot into the net. B. Brown broke away again and scored with a good shot. G. Coulter was injured behind the goal and from the face-off his brother received and scored. After five minutes after he registered No. 5 from a long distance out. Third quarter: Weston 8, Orangeville 2.

Fourth Quarter. The home team assumed the aggressive on restarting, and for the remainder of the game the play was all theirs. The Orangeville defence let up badly, and the Gordon Coulter, who was the best man on the field, three times walked thru them and deposited them in the net. Holly made it No. 12 with five minutes to go. Orangeville played up in the last few minutes, but were all at sea when they attempted passing. Game over: Weston 12, Orangeville 2.

OVERSEAS, TAKE NOTICE. All Overseas players are specially requested to meet Trainer A. Jennings at Fred Victor Hall tonight, eight o'clock. Arrangements will be made for the last league game with Old Country on Saturday. A full turnout is specially looked for.

## Former Discards Will Profit in World's Series

Coin of Destiny Has Flipped Luckily for Barry, Hoblitzell, Gregg, Whitted, Chalmers, Demaree, Stock, Becker, Neihoff, Byrne, McQuillen and Others.

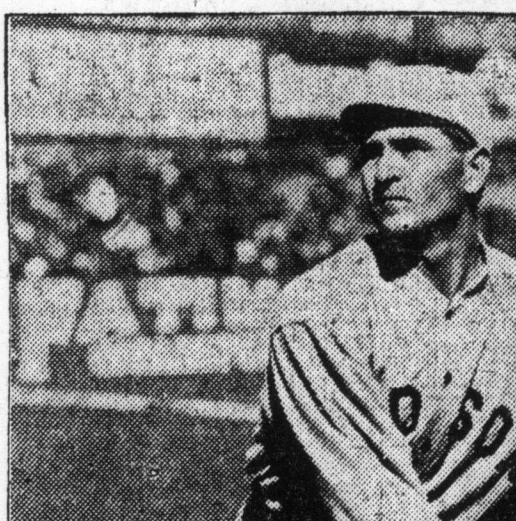

Many a discarded ballplayer in the past two years has fallen fair to the luck that befalls a man who turns into a cinder and comes up with a watch and chain or a baby grand piano. October dividends will be declared next month on men who were outcasts and discarded from former great clubs now reposing in the fall end. Chief Stallings last year performed a miracle with what a nation termed a lot of untold "mishaps," but Moran was seized by the National League's end of the boom with the latter's achievement of Stallings in the preceding year. Nearly half the prize that goes to the Philadelphia forces will be distributed among outcasts and discarded from other clubs within the past three years. The Giants' melon-cutting before being turned adrift. Now the Giants are in last place and Mr. Becker is figuring in how many banks he will appropriate his share of the coming classic as a Quaker. Dick Hoblitzell languished in Rhineland for seven years and felt like a Siberian exile. It wasn't hard to get him out of the National League. The rejuvenated Hoblitzell proved the right man at first for the Sox, and after years of annual winter pennant dreams with the Reds the West Virginia dentist saw visions of a world's series cash and glory realized. Herb Moran escaped from the tail-end Reds last season early enough to land a big prize with the champion Braves.

Now comes George Whitted, stilled by Hub Perdue the luckiest Rockefeller in baseball. Perdue was in glorious gear when he left the tail-end Braves in June, and Whitted, turned adrift by a contender, stormed with anger. Whitted got a slice of the melon and incidentally started the world's series. Winter came, and Stallings figured the spare-rolling for Whitted, a good dumping ground for the Phillies. George kicked and fumed, beckoned to the Reds and positively would not go. Discretion proved the better part of valor and Whitted joined forces with Moran. By the checker-board process Whitted will be in on his second world's series drive and he hasn't been in the league four years.

Duguey Proves a Lucky Lad. Striking examples are Duguey and Demaree of the Phillies. The bartender with the Ralph Rose delivery came up from Mobile in 1913, took down a world's series drive, pitched another year and was found wanting. The Phillies took him as a bargain, and he has been in the minors since. Duguey landed right side up with the Giants in the depths. Young Duguey, an old pal of Sunny Pore's days in the Three-I League, was snared by Bert Neihoff who was not popular in Cincinnati. He had been up once with Pittsburg and sent back. Last winter he was detected flitting with the Reds. That did not help him any in Cincinnati. But the old "horsehead" dangled over this novice's head. When the Reds passed him up, Cincinnati decided to get rid of him. Moran, in Warfieldian accents, said: "If you don't want him, I want him." Mr. Neihoff falls into a little sub-treasury next month.

But Chalmers toiled valiantly for the Phillies for three years, beginning with 1911. A year ago he became the property of the Giants, and it made him very happy. Early in the season Chalmers was avoided back to the Phillies. The picture that he felt then has been dispelled by visions of the wherewithal to buy a couple of Long Island lots. Bobby Byrne received one slice of world's series bounty in 1909, became a discarded four years later, and is now grabbing off his second October portion. George McQuillen, facing the minors, was rescued by Pat Moran, and, to his surprise, he will come in on an abbreviated share of the receipts.

## CARRIGAN'S BEST BET AGAINST THE PHILLIES

George Foster, mainstay in the box for the Red Sox, who will probably bear the brunt of the pitching in the coming world series. Foster has pitched sensational ball for Carrigan this year, and as Joe Wood is still unfit, he will probably be called to face Alexander in the first contest of the short series.

## WEST END Y. NOTES

## HOW YOUNG TORONTO TOOK TO THE BATHS

At the City Playgrounds during the past summer 826 visited the baths. In the Broadview section, where there were two swimming pools, 460 attended; 155 enrolled as pupils for swimming instruction; 80 took three lessons or more, and 33 were taught to swim. In the Harbord section, where there were two districts, 216 attended; 99 enrolled as pupils for swimming instruction; 41 took three or more lessons, and 35 learned to swim. In the West End Y.M.C.A. section, with three districts, 152 attended; 60 enrolled as swimming pupils, 60 took three or more lessons, and 32 were taught to swim. Out of a possible 828 who attended 151 learned to swim during the summer months.

At Pittsburgh—Pittsburgh defeated Newark 7 to 2. Knetzer, for the locals, allowed two hits, while his team mates hammered Newark and Billings for a total of 10. Score: R. H. E. Pittsburgh 7 3 0 0 0 0 0 0 0 10 1 Newark 2 0 0 0 0 0 0 0 0 2 0 1 Batteries—McQuillen and Byrne; Hadden, Huhn; Knetzer and O'Connor.

## BURKART AND MOORE

Join T. R. and A.A. — Local Teams Play on the Holiday — Rugby Gossip.

T.R. and A.A. had a squad of 25 out at Victoria College grounds last night. Dede Burkart and Bert Moore donned uniforms for the first time, and the Black and White will take a formidable team up to Hamilton to play the Tigers Saturday. Hobbs, the quarter, is back with the T.R. and A.A.

The O.R.F.U. schedule has not been drafted as yet, but will be ready by the end of the week.

T.R. and A.A. are trying to arrange a game with Argonauts for Thanksgiving day, the proceeds to be for patriotic purposes.

Parkdale Intermediate O.R.F.U. team will practise Wednesday and Friday nights at Trinity College grounds, at 5.30 o'clock.

Jack O'Connor, Argos' great back, made his first appearance of the season at Rosedale last night. Coach Sinc McEwen had a squad of 39 out and his conditioning men would have them in grand shape in another week. Wendell Holmes strained a tendon at last night's practice and will have to take a few days rest.

Argos are well supplied with quarter backs. Freddie Mills, Heintzman of U.C.C. and Wright from London University are the candidates for the job.

Stanfield, a middle wing from Beaches, is showing some good work. He is going to be hard to keep off the team. Brown of St. Michael's intermediates will be out tonight.

Hamilton Bowling Club have been out after Argonauts to journey to Hamilton on the holiday. The double bill will be played.

Argonaut members and their friends may secure season tickets at the secretary's office, Room 23, 34 Victoria street. Only these will be the initial appearance of section ticket holders, and more than half have been taken up already.

The addition of Bush, Ingram, Vaughan and Emerson will give the Ottawa a first line. Vaughan, Emerson, for inside; Bush, Dewhurst, Ingram, middle; Doe, Davidson, and Reid, T. Tuman for outside, doesn't look so bad. There are a host of additions to the team, including Fred Davies and Bob Gamble. Art Murphy, Billy Taylor and Dutch Jordan are the back division. Ingram, Vaughan, Munroe and Soper for the rear guard. It must be said that things look brighter for the Ottawa Football Club than they did last week. If Mr. Shaughnessy is secured for coach, all will be well, and the club will be sure to make a better showing than it did last year.

A large number of new men who will try for the Ottawa second team were out on Saturday. The club has plenty of material for two teams, and if the Q. R. F. U. continues, the Ottawa will be represented. Both Ross and Genuone are anxious to go ahead, but Montreal have not yet stated what they will do.

Owing to the suspension of Intercollegiate football, Mel. G. Brook, director of sports at the Western University, is desirous of making some arrangement with the London O.R.F.U. team to play under the name of the college.

London Free Press: The fact that the O.R.F.U. has turned down the applications of two Niagara training camp teams of overseas battalions to affiliate with the O.R.F.U. this season gives rise to the assumption that the second request of the 70th Battalion, encamped in this city, will be with some Ottawa club. A franchise has been promised in the National Union with Nationals, Cornwall, Montreal and Shamrocks, and there is an intention of the local men, not to make their club a close corporation, but to have about twenty-five lacrosse followers subscribe the necessary amount to carry the team thru for the season. This would not amount to much, as travelling expenses in the N.L.U. are low and the team would play on the city grounds. It has already been shown that there is sufficient material in the city to have a strong team of players. The players are confident that they would be enthusiastically received by the National Union. Nationals and Cornwall have promised their support, and both Shamrocks and Montreal would also be agreeable.

## Rugby Club Preparing For a Busy Campaign

An Ottawa despatch says: There were several surprises this afternoon at the practice of the Ottawa Football Club. Chief among them was the appearance of Silver Quilty. Quilty has finally made up his mind to pass up this term at McGill, and will wait until next season to take his second course in medicine. He is a big policeman, who has played a lot of Rugby in the old country, was out as well as Graham, another notable, who showed great promise. Art Murphy, made their debuts and will play regularly. Hill, a big policeman, who has played a lot of Rugby in the old country, was out as well as Graham, another notable, who showed great promise. Art Murphy, made their debuts and will play regularly. Hill, a big policeman, who has played a lot of Rugby in the old country, was out as well as Graham, another notable, who showed great promise. Art Murphy, made their debuts and will play regularly.

What the Ottawa Low require more than anything else is a good kicking back. Don Brophy was ideal for that purpose, and while Ray Conyers and George Boucher are good, they cannot get the height or distance that Brophy so easily acquires. Henry is the youngster they have in view. Parental objections have kept him out of the game so far, but the Ottawa are sure that he will eventually appear. Eddie Nagle is still an unknown quantity. Give the Ottawa a good punter and their back division would be second to none.

It is hard to say who will get the quarterback position with the Tigers this season, but in all probability Clement will be the unanimous choice. Bridges, who is the other aspirant for the position, handles the ball well, but has not the running or tackling ability of his rival. Don Brophy and Conyers will be the two who have coped with this berth hands down, and Clement would have played at outside wing.

It is the desire of Millard Gibson, manager of the Hamilton Rowing Club, get a chance to meet an American college crew before this season is over. George Bush, who played for the St. Patrick's last year, and Art Murphy, a brilliant young quarter-back, who starred for Ottawa intermediates two years ago, will be with the Senators this season. Bush was recently reinstated by the A. U., having been disqualified for participation in a wrestling bout against a professional.

OTTAWA, Sept. 28.—Bourse Hutton, who managed the Capital Veterans for last Saturday's Red Cross game against the Shamrocks, stated yesterday that the recent match was arranged as a prelude to the return of Ottawa to a senior league.
