

"DAUNTLESS" SHINGLE AND HEADING MACHINE

The strongest and most durable machine made. Made expressly for hard and fast work. Saws 40 or 42 inch diameter. Steel tubular carriage. Holds blocks up to 18 inches wide and a length to 20 inches or longer if ordered.

Any respectable sawyer can easily keep two good smart boys—or men either—busy jointing and they will have to hustle too to keep up. I furnish complete outfits. Let me quote you prices. Catalogues on application.

F. J. DRAKE, - Belleville, Ont.

Manufacturer of Saw Mill and Shingle Mill Machinery

Do You Need a Turbine?

Now is the best possible time for replacing your old, worn-out wheel with a new Turbine that will save Worry, save Time, and make Money for you. If you want a well built wheel, a wheel that will give you steady reliable power every day, a wheel that will save water, a wheel that will last you a lifetime, and that is sold at a reasonable price, then write us for catalogue and prices on the

Standard Leffel and Vulcan Turbines.

They are better developers to-day than ever before, and are growing in popularity, as our order books show.

We have now for distribution our new **SAW** and **SHINGLE MILL MACHINERY CATALOGUES**, with engravings and descriptions of our machines with their latest improvements. We will be glad to send you one on receipt of your address. You cannot buy a better Portable Mill than the "Lane Improved".
