Vancouver appeared in new green and red shirts. I ne game opened fast, Vancouver getting the ball at the face. It traveled up and down the field three times before a shot was made on goal. Torontos played faster lacrosse than they did all season. Torontos rushed the ball down the field, and in 9 minutes 30 seconds Murphy scored the first goal for Torontos. Two minutes later, however, Vancouver evened up the score, Gilmore doing the trick. It looked at this point as if Vancouver were going to be too fast for the locals. The way they bored in from centre-field bothered the Torontos considerably. Three shots from close up were made on Torontos 'net, but failed to cfunt. The quarter ended without either team scoring any more goals. Score: Torontos I, Vancouver!.

Second Quarter — Vancouver were playing with the wind in the second quarter, and started out fast. Their passing was beautiful at times, and they showed wonderful speed and kept up a continuous bombardment on the Torontos' ten. Vancouver scored, Wright doing the trick in six minutes. Cowan evened up the score in one and one-half minutes later. Torontos were holding their own in fine style and playing fast. Wright nothed another for Vancouver in 2 minutes 40 seconds. Donehouse got the minutes for striking Mara over the eye. Torontos got the ball on the face and rushed it to Vancouver goals scored. Cowan notched one in 5 minutes 20 seconds, and Murphy the other in 1 minut and played better, and in 4 minutes 10 seconds Wright scored for the west-

King's Daughter's St. Leger. LOUISVILLE. Oct. 1.—Louisville's nine-teen-day fall race meeting at Churchill Downs began to-day with a fast track, fine weather and a card in which norses of high class were numerous. The \$2000 St. Leger Handicap, patterned after the reat English classic, which was discon-tinued at the local course in 1892, was re-vived to-day. The race resulted in a vic-tory for Tom McDowell's King's Daugh-

Prolic was the only favorite to win on closing day at Woodbine Park, the G. M. Miller and Expansionist were almost splitcholes with Responseful and Prince Hampton. Saturday saw the greatest crowd of the seven days, probably twelve thousand lovers of the horses. The surprise of the day was the winning of the O. J. C. Autumn Cup at 2% miles by the long shot, David Stevenson's Duke of Roanoke, 5 years old, by Hamburg—Shansheen, trained by Al. Weston and riddon by Garner. He won from barrier to wire in record time. Seismic, the favorite, was a sorry spectacle, hobbling in after the field, having broken down a half-mile from home, without being a serious con-

wind that blew almost a nurricane from the west. There were forty-five books in line, the largest of the meet-ing, and for that matter the most was off promptly on time and resulted in August Belmont's Field Mouse defeating Campeon, from Carman's stable in a stretch drive, the favorite leading until the stretch was reaching ed. Guy Fisher finished third, just where he was backed. Mrs. Livingstone's Picolata at 15 to 1 landed the second, galloping up the stretch an easy winner, three lengths ahead of Red Walker's Planter, Edda third. The last named was favorite, and with Horizon alternated in making the

Golconda and Olambala refused to issue in the O.J.C. Cup, leaving a field issue in the O.J.C. Cup, leaving a field of six for the feature event of the meeting. The big money was on Seismic, with the talent betting First Peep in 20's and 30's. Fair Annie, Sager and Solemia had mild support, with Duke of Roanoke only nibbled at. They were off with little delay, when the Duke of Roanoke only nibbled at. They were off with little delay, when the Pippin.

In fact the three placed horses were in front of the heavier weighted ones thru the journey. The pace was fast and on the back stretch for the last time Lang let First Peep down, and there was a mild response. Just as Seismic threw up the sign of distress and Sager announced from the rear division that he had enough, up the stretch came the Duke of Roanoke, winning by a length, Sotemia second on the rail. Fair Annie third, First Peep dropping outside the money in distress at the wire. Then Sager last, except Seismic, who pulled away back. The time, 2.57, is a new record for the race and track, beating the former mark by 2 3-5 seconds.

The books made their biggest haul of the year—almost a clean-up—and likely landed all they are said to have dropped in Montreal.

Expansionist was rated behind in the three-imile steeplechase, Nebuchadazzar, Bilberry and Byzantine making the pace: Steve Lane always last. Byzantine fell at the clubhouse bank the sec-

The Archie Kerr Cup was won by the Torento Golf team by 24 points, who defeated Montreal on the Toronto-links Saturday afternoon. The high wind that swept the course made good golf impossible and the scores returned were on the whole very poor. The big surprise was the defeat of Geo. Lyon, who was beated by the same was very successful from an outing point of view.
