LEAFS STING SKEETERS IN FIRST OF SERIES

Delahanty Has Great Day at Bat Lush Scores Another Win

The Leafs continue their onward march toward the championship by defeating Manager Ryan's Jersey City team by 11-5.

The home team looked much the better of the two on the day's play, but it certainly must be conceded that a decision of the umpire at the plate considerably helped the Leafs' early chances to victory.

The play in question took place in the second inning. With one out, Jones, the Newark pitcher, walked the next three batters, Delahanty then hit a hard one at Fullerton who threw to the plate, but the runner was declared safe.

The feature of the afternoon was the continued heavy hitting of the Leafs, who made no less than sixteen safe bingles, of which Joe Delahanty had four.

The game was at no time in very serious doubt, but what has been the outcome had the plate decision been reversed is hard to say.

Johnny Lush pitched another good game, but it was not necessary for him to extend himself. He was touched rather freely at times, but kept them scattered and in very seldom in any particular trouble.

Manager Ryan of Jersey City may work Southpaw Frill against the Leafs to-day, evidently figuring a left-hander will be the most likely to stop the winning streak of the home team.

Outfielder Henline has been sold by Buffalo to the Baltimore team. This looks like a big argument. Rum has it that the most sensible thing Frill has accomplished this season.
