A serious cave-in occurred on Dundas-street, near Dovercourt-road, about 6.30 last night, when the asphalt and brichs in a space about 10 feet square suddenly sank after a Dundas car had

ten feet square and 10 feet deep, and it is said that the whole readway R., with J. W. Leonard and E. W. P. ground the corner is undermined.

Ramsay, chief engineer in construction of castern lines, were in the city to day inspecting the road. The civic sides of the street have complained authorities have been asking that about low water pressure and a leak Kingston be placed on the main line. but the company stated definitely that this is out of the question.
