# COSSACKS PROCLAIN DON REGION REPUBLIC

dent and Prime Minister of Newest Russian Government.

Petrograd, Jan. 11.-Reports from Rostov today say that the Republic' and prime minister.

Special despatches from Petrograd Cossacks and the population or the Don district in general, grouping themselves around the Don military government under General Kaledines, whose aim was said to be not to fight the Bolsheviki, but to consolidate the democratic organizations in the Don district with a view to bringing about an end to civil war.

The territory of the Don Cossacks merch, are listed at seven dollars. In

square miles, comprising a large part shipments to that country. Shipments of the lower basin of the Don River to Denmark and Spain also showed in southeastern Russia. The popula-tion is mainly Cossack, whose society structure has been on a military basis with the chief governing official bearing the title of hetman. General Kaledines, the holder of this office, was reported late last month to have was reported late last month to have he front, but he front, but his re-election to the office was announced shortly afterward by 562 out of a total of 638 votes.

### DISTILLERS TO PRESENT VIEWS ON PROHIBITION

Will Be Given Hearing by War Cabi-net at Ottawa—Labor Problems to Be Tackled.

Ottawa, Jan. 11. — With the return of the prime minister to Ottawa, dematters now pending. The date when prohibition of the manufacture of alcoholic liquors will become effective has been under consideration of the war cabinet for some time, and is expected shortly to be announced. A delegation representing the leading distilling interests will meet the government here on January 18, to present their views.

two important conferences dealing especially with the labor problems. On Tuesday, labor men will present their position, and on the day following, the minister of agriculture will meet representatives of the various provincial departments of agriculture Soldiers Much in Favor on West Front. to discuss with them the problem more particularly of farm labor.

Diseases—Few Doctors Have Satisfactory Treatment to Offer, But This Ointment Cures.

St. Thomas, Ont., Jan. 11.-Eczema's itch is torture, the skin seems on fire with the burning, stinging humor; at times it becomes almost unbearable, and in desperation you could tear the skin to pieces. You

ashamed to go near my door when BRITISH AIRPLANES SCORE anybody called, my face was so af-lected with this terrible disease. I consulted several doctors, but they could not help me at all. When I London, Jan. 11.—British airplanes to know how I was cured, and I certainly recommend Dr. Chase's Ointout of control. The British came out ment. I cannot speak too strongly of the fight with all their machines in its favor, as I paid out many dol- intact. lars for doctors' medicines, but did

Chase's Ointment." You may be skeptical regarding the ability of Dr. Chase's Ointment to cure you. Most people are, after trying in vain to get relief from a host of remedies, but Dr. Chase's Ointment will not disappoint you. You will be surprised at the marvellous control which it has over all itching, burning inflammation of the skin, and the wonderful healing powers which it possesses. It takes time to thoroughly cure eczema, but Dr. Chase's Ointment will do it. You will find relief after a few applications, and gradually and naturally companies and gradually and naturally remember.

Canadian Associated Press Cable.

London, Jan, 11.—A paragraph appears alleging that sensational developments are expected because the Canadian soldiers' ballot boxes, when opened, showed votes to have been inserted in bundles, instead of singly. The Canadian Associated Press is able to say that, while the opposition scruttheer may raise an objection on this account, it is extremely until be surprised at the marvellikely it will be carried any further, and there will be no sensational developments.

For every ounce of food and drink taken into the stomach nearly an ounce of waste material must be carried out of the body. If this waste material is not eliminated day by day it quickly forments and generates poisons, gases and toxins which are obsorbed or sucked into the blood via the press is able to say that, while the opposition scruttheer may raise an objection on this account, it is extremely until to surstain the body.

Which should suck only nourishment to surstain the body.

A splendid health measure is to drink, before breakfast each day, a glass of real hot water with a tea-sponful of limestone phosphate in it, which should suck only nourishment to surstain the body.

To complete Four Sections. a positive cure for eczema, Dr. Chase's Ointment comes useful in a ways in every home for every form of skin irritation and eruption, chapped skin and chil-
