Pre- sizes yesterday.
 sizes yesterday.
 The evidence went to show that hearly 2000 acres were swept by fire.
 Several witnesses testified that the right of way was covered with brush leaves and dead wood. One fire start-ed ten minutes äfter a train passed.
 John A. Gillies, the first witness, stated that he had seen the bush fire start in 1905, and that they had all started in the right of way of the raliroad.
 Aubrey White, deputy minister of lands, forests and mines, took up the question of the issuances of licenses.

See the Argument

Hats !

That's the subject.

When you consider that every man is judged by his clothes nowadays, what's the object in wearing a dingy hat. The price?

Not much of an object in that. See our \$2.00 hats.

Men's Derby and Soft Hats, Christy's English make, or the King brand, latest styles, and fine quality of fur felt, with best finish and trimmings, colors black, fawn and brown, Thursday \$2.00

Ever wear it?

Underwear, men's underwear, "Pen Angle" is the brand.

We handle it and recommend it. On sale in the Men's Store --- and you have an argument in its favor right there.

"Pen Angle" Brand Natural Wool Underwear, double breast, medium fall weight, guaranteed unshrinkable, sizes, 34 to 42, per garment \$1.00 Sizes 44 to 50, per garment, Thursday\$1.25

Townspeople Form Strong Club to En-

courage Manly Sport.

THORNHILL, Oct. 22.—The Thora-hill Recreation Club has been formed with these officers: Hon. President, A. Campbell, M.P., A. McCowan, M.L.A.,

and Capt. Tom Wallace; president, G.

and Capt. Tom Wallace; president, G.
H. Hooper; vice-president, A. R. Hali; secretary, J. E. Francis; treasurer, W
Riddell; and these directors, Rev. J.
Gibson, J. J. Davidson, J. H. Francis,
Dr. W. H. Carleton, J. W. Breakey, Dr.
C. P. Johns, T. J. Hughes, D. Boyle,
W. Harper, A. E. H. Pearson and S.
Thompson. Their first venture is the
erection of the Metropolitan Skating
Rink, which will be 50x160 feet. Suff-cient land has been purchased to pro-

rebuild. A gang of men are at work excavating for the handsome new building to be erected immediately to the north of St. John's Anglican Church, to be used in connection with the work of the church. Great improvements are being gradual-ly carried out with respect to St. John's Cemetery.

There are two appointees of the On-tario Government whose duties are supposed to be those of guarding the public interests. One is Superintendent Nix, and the other Inspector Hogg. Each, so it appears, exerts more or less supervision over the men who are being put thru their paces from the time they are given instruction in the car barns by the master mechanic ... the period, usually about two weeks later. charge of a motor.

ing the motorman's evidence, gave the opinion that the latter had become somewhat confused under examination. While there was no written examination, applicants were subjected to a thoro oral test, after they had gone thru the preliminary instruction at the car barns, as to the use of apparatus. After several days of such instruction, der charge of roadmasters and taught how to run a car over the different lines in the division to which it was intended that they should be assigned. The whole course usually lasted 13 or 14 days.

* boundaries extend to the Arctic reterday, with the view of securing the appointment of more provincial police officers in that region, to bring about a better enforcement of the liquor law,

as well as of sanitary regulations. as well as of sanitary regulations. He says that in particular the Town of Chapleau, where he resides, is grow-ing very rapidly, and that owing transformed to superin-negligence in looking after sanitation. danger exists of epidemics. A great deal of trouble arises from the sale to Eskimos,Ojibways, Crees and other Indians in that territory, not only ef ordinary liquors, but also of extracts and other preparations containing alcohol

"The situation," he said, "is grave, and requires immediate attention."

A Political "Plot."

A story to the effect that it had been scovered that 200 Liberals had been ond ward Conservative Association was ridiculed last night by Wm. Craw-ford, president of the association. "There may be a few of them, but I know nothing about it," he said.

Hunters' Watches From \$1 up. WANLESS & CO., 168 Yonge Street.

Mr. Johnston asked: "How did you find the fire?" "I was coming down from Latch-ford about mile 93 a train passed me, and after it passed I found fire at about mile 92. It was on the act about mile 92. It was on the adway. The work on the new Methodist Church at the corner of Annette-street slowly these past few days on account of the iron work, which must be com-pleted before the bricklayers can make much headway.
