Memorial Unveiled.

At the Collegiate Institute to-night a very interesting ceremony took place, the unveiling of a memorial portrait of the late John M. Buehan, who was principal of the institute many years ago. James Chisholm was chairman, and the portrait, which was painted by Louis M. Stuart, was the gift of former pupils. Arthur O'Heir read the address of presentation, and A. C. Beasley unveiled the portrait. Addresses were made by Mayor Hendrie, Hon. J. M. Gibson, E. D. Smith, M.P. Mr. Gibson was a fellow student of Mr. Buchan's: all the others mentioned were pupils of his. A musical program was rendered, those taking part being: Ostier, violinist; Miss Alma Gayfer, soprano soloist; Miss Cummings, pianist; Miss Egan, accompanist. The committee which had charge of the affair was composed of James Chisholm, E. D. Cahill, A. C. Beasley, Arthur O'Heir, E. D. Smith, M.P.

#### REAL ESTATE INTELLIGENCE

Sales of Toronto real estate are very boarding out, and have placed all their slow just now. Brokers are of the effects in storage.

Permit No. 420—To Robert Clayton, Sales of Toronto real estate are very slow just now. Brokers are of the opinion that the present cessation in estate deals is due not alone to the threatened strikes and very high cost of building supplies, but to the fact that many speculators in real estate have invested their money in stocks again. The looked-for very great expansion in property transfers, these speculators claim, has failed to materialize, and the turn affairs may take on May 1 in labor circles has induced many to be very chary in touching real estate again for some time.

Let Me Send My Book.

I want to know a man or woman who needs help.

Just a postal will do, for no money is wanted. Tell me
which book I shall send.

Let me explain a treatment which I have spent a lifetime in learning; a treatment so effective that I let any sick one take it at my risk.

With the book I will mail an order on your druggist for six bottles Dr. Shoop's Restorative. I will authorize him to let you take it for a month. The cost is only \$5.50, if it suc-

ceeds, and I will pay the druggist myself if it fails.

I will leave the decision with you.

I accept not a penny if it fails.

39 out of each 40 who get those six bottles pay. That means that 39 in each 40 get well. This is the secret of my success:
I have found the one treatment that strengthens the inside nerves. When an organ is weak, I don't doctor the symptoms; I don't treat the organ at all.

But I bring back the nerve power which alone makes that organ act. When an engine is weak, you don't doctor the engine; you give it more steam. I do just the same with a weak vital organ; I give it more nerve power.

Any organ will do its duty when it has sufficient nerve power but never without it. power, but never without it.

Most chronic disease must be cured in my way. Don't be incredulous when I take the entire risk.
You have nothing to lose and everything to gain. I am

sorry for a sick one who will let any prejudice keep him from writing for my book.

Simply state which book you ant and address Dr. Shoop, Box 21, Racine, Wis.

Mild cases, not chronic, are often cured by one or two bottles. At all
