

Board in sending the Gospel to them. One person said he would give \$12 per year, another that he would give 2 acres of land in a convenient place for a meeting house, for one shilling and three pence, and a third declared he would give as a present not less than 20 acres of land for a mission house. My visits among them, I humbly hope and trust, were blessed of God. They everywhere listened with the greatest reverence, respect and interest, to the story of redemption.

Bro. Benj. Spencer, Licentiate, by appointment of March 7, 1860, performed a mission of 8 weeks on the Island. Visited Grandmira, Gabaroos, Forshu, Loisburg, Loren, N. West Arm, Glass Bay and Schooner Pond.

He reports:—Preached 41 sermons, travelled about 280 miles, visited and prayed with as many families as I conveniently could. Have endeavoured as much as possible to visit the destitute, and they are many. What good has been done, will be best known another day, but I have reason to hope that my labour has not been in vain.

P. E. ISLAND.

Rev. John Davis still labours at Charlottetown, and a portion of his time is spent on Missionary ground.

He writes to the Board under date 27th May:—Within my field I preach some four times every week, besides holding prayer meetings. The attendance is encouraging if not large. I have lately baptized 2 young persons in connection with the church in the city. On the whole, notwithstanding the formidable difficulties with which we have to contend in these parts, we are enabled to maintain our ground.

Rev. John Shaw reports a mission of 8 weeks to Dog River, West River, Long Creek, Cance Cove, Lot 49 and Grand River. Preached 52 sermons, visited 40 families, attended 1 Conference meeting and baptized 5 persons, one in Dog River and four in Grand River. Preached and visited in conjunction with Brother Ross for 4 weeks. A general awakening has been among the people of his (Bro. Ross) charge, especially the youth, and among other congregations in those regions. My mission has been very pleasing to myself and I hope beneficial to others. The final day will shew as a whole, I hope a prosperous one. This mission is self-sustained.
