

THE
WILLIAMS'
IMPROVED SINGER.

THE BEST IN THE WORLD.

BEWARE OF IMITATIONS.

First Prize at Vienna, 1863. First Prize at Philadelphia, 1876.
First Prize at Paris, 1878. First Prize at Sydney, Australia, 1877.
First Prize at all the Exhibitions held in Canada since 1863 when
prizes were given. No other Sewing Machine in the world has taken
so many First Prizes, or is so universally admired. It runs light, does
all kinds of work from the finest to the coarsest. Never out of order
if kept clean and will last a life-time. Buy no other until you have
tested the Williams' Singer.
