## PROVINCIAL PROBE IN COMPETENT HANDS

(Moncton Transcript)  
The new provincial government is face to face with the most difficult of problems, the problem of making both ends meet. The late administration most improvidently squandered and wasted the public resources until today the provincial income is unequal to the maintenance adequately of its public works and undertakings without drastic savings in some one direction and the increase of revenue in another. The wasting of money and what is worse its stealing, has brought the province face to face with a need for changed conditions. It is unfair to the provincial government that it should be asked to undertake the administration of provincial affairs without the public being thoroughly seized of the real financial standing of the province. The late government declared that its financial standing was excellent, but the then opposition maintained that the government has been improvident and reckless.  
This is a matter which needs to be determined. In fairness to the new government the facts should be investigated and the results made known by a tribunal of impartial men. The new government has done well in placing this matter in the hands of experienced men—a firm of gentlemen, who stand outside of our provincial political differences and a firm by the way which has had recent experience along similar lines.  
This step taken by the new government is one which should receive the warmest commendation and support from the people of this province. Let us know the facts respecting our financial situation be those facts pleasant or unpleasant to learn. When we know the actual facts, then the province through its new administration may set itself to the task of seeking to master the financial difficulties which actually exist.

### Notes of Interest.

New York, April 25—Johnny Kilbane, featherweight champion, arrived here today to begin training for his bout the night of May 1 with Freddie Welsh, lightweight champion. He will train at Douglass, L. I.

New York, April 25—Johnny Harvey, New York lightweight, stopped Joe Rivers in the seventh round.

New York, April 25—Johnny Dundee, of this city, was an easy winner over Tommy Tonley, of Paterson, N. J., in a ten-round bout here tonight. Dundee weighed 12 pounds and Huohuey 131.

### King's Horses to Race.

The horses of the king, the court being in mourning for the Duchess of Connaught, will run for the present in the name and colors of Lord Marcus Beresford, who has from the beginning been His Majesty's trusted adviser in racing matters, as he was for King Edward VII. He is the largest nominator for the New Coventry Stakes, just closed with 102 entries. The five from the Royal stable form the largest individual contribution. H. W. Rudel coming next with four. It is not thought among followers of racing that anything of Derby calibre is included in King George's three-year olds.

### Yacht Races are Off.

Boston, April 24—The Massachusetts Yacht Racing Union tonight voted to cancel all races which it had been proposed to hold under rules of the union during the coming summer. No races will be scheduled until the war is ended. The action of the union, it was stated, will not interfere with any races scheduled by individual clubs.

The ladies of St. John the Baptist branch of the Red Cross held a very enjoyable tea in their rooms on Tuesday night. Mrs. O'Connor and Mrs. J. H. Doody presided. A programme was carried out including solos by Mrs. T. Harris, Miss Theresa Sugrue, Miss Stella Pyne and Miss Beatrice Mooney. The proceeds will go towards the Red Cross work of the circle.

## A Big Musical Novelty—The Saxophone Records by the Saxo Sextette

THE singular veiled, rich tone of the saxophone—a hint of reeds, brasses and strings all in one—has at last, and we believe for the FIRST TIME, been reproduced with absolute tone-fidelity in a series of marvelous Columbia recordings by the Saxo Sextette, the sensation of the country.

There is something so absolutely new, and delightful about these novel saxophone recordings of the season's biggest song, dance and march hits that you'll miss one of the treats of your life if you don't hear them at your dealer's today.

- A 2203 POOR BUTTERFLY. (From N. Y. Hippodrome Show) Saxo Sextette.
- A 2205 ALLAH'S HOLIDAY. From "Katinka." Saxo Sextette.
- A 2205 MISS SPRINGTIME. "My Castle in the Air." Saxo Sextette.
- A 2195 FOLLOW ME. "What Do You Want to Make Those Eyes At Me For?" Saxo Sextette.
- A 2195 AMERICAN PATROL. Saxo Sextette.
- A 2194 CALL OF A NATION. Saxo Sextette.
- A 2194 BULL FROG BLUES. Saxo Sextette.
- A 2194 SWANEE RIPPLES. Saxo Sextette.
- A 2198 POLICY KING MARCH. Saxo Sextette.
- A 2198 ALL BLUES MEDLEY. Saxo Sextette.

The Columbia process reproduces, with a reality that matches life itself, the tone of every individual instrument—from flute to saxophone, from cello to marimba, from piano to magnificent symphony orchestra.

For the truest reproduction of instrumental music, insist on the records with the "music-note" trade-mark: COLUMBIA Records, obtainable at Columbia dealers everywhere. "Hearing is believing"—hear them at the nearest Columbia store today.

## The New Series CHEVROLET

The Chevrolet has the famous valve-in-head motor which means fuel economy and power. This alone would justify your choosing the Chevrolet in preference to any car selling for less than \$1000, yet there are many other exclusive features to augment your decision. See the Chevrolet before you buy your car.
