### NEWS OF THE BAND OF 140TH BATTALION

Among those who returned from England on Saturday morning last was Frank W. Eddleston, who served in the band of the 140th Battalion, and who for many years before had been a member of the Artillery Band. He was sent home by a medical board, and has received his discharge. He is the first of the twenty-eight bandmen to return. When he left, the band, now thirty-five strong, was on band duty at a great military camp in England.

This band had many vicissitudes after it left St. John. It had only been three weeks in England when the splendors of the Empire were taken away, and have never been replaced. They are said to be in Palestine. Effort after effort has been made to get them back, but to no purpose. The colonel of the battalion has been ordered. The band members were drilling and doing all kinds of work in the ranks until last May when they secured the instruments of the 212th Battalion, but at this time held by the 97th. Since that time the members have been on band duty only and are second to none at the camps where they are now located.

Mr. Eddleston says that before he left, Sgt. Charles Williams had been recommended for warrant officer, and Corp. "Toby" Williams as sergeant. He is an all-Canadian band.

Mr. Eddleston says that at various times members of the band were named in drafts for the front as privates, but in every case the order was withdrawn. He adds that the band is indebted to Major Perley for many kindnesses, who has been a real father to them since they joined the Seventh Reserve. The 140th Battalion has been completely broken up in drafts.

### FINED FOR BUYING JUNK FROM MINOR

#### Magistrate Criticizes Lax Methods of Dealers—Automobile Cases Before the Court

Several citizens were in the police court this morning for violating various features of the by-laws. Max Budovich and Mrs. Samuel Budovich, junk dealers, were each fined \$40 by the magistrate for buying junk from a minor. A thirteen-year-old boy gave evidence against the two defendants. He said that about two months ago, he went to the junk store of Budovich in Ann street and sold him a quantity of lead for which he received seventy cents. He identified the defendant. As to the two men, the boy said that he had sold her pieces of iron, brass and copper and also a quantity of old bottles. He received from her in payment twenty-five cents. He had sold goods on other occasions to the same woman.

The woman, as well as the man, denied ever seeing the boy before. The magistrate severely criticized the rather too lax disposition on the part of junk dealers in purchasing goods from young boys. "If junk dealers would not buy from boys, there would be no thieves," remarked the court. He imposed a fine of \$40 on each of the defendants.

William H. Robinson and James Nelson were each fined \$10 for exceeding the speed limit with their cars in Hawthorne avenue on the afternoon of July 27. Policeman Gibbs said that the two men were going out the avenue side by side at a rate of speed well over twenty miles an hour. Mr. Robinson told the court that they were not racing. The policeman said that this was a dangerous place, as there were always a lot of little children playing about.

Car No. 4912, owned by Louis Corey and driven by Mr. Tobias, was reported by Policeman Winter for operating the above car without a rear number plate on two occasions. The defendant was given until tomorrow to show that the number plate had been put on, after a warning by the policeman, but had fallen off, thus leading to a second offence. H. C. Green was fined \$10 for exceeding the speed limit in turning the corner of Mill and Main streets on August 2. Policeman Hogg made the report.

### REVISITS ST. JOHN AFTER TEN YEARS

Old friends are today extending a cordial welcome to John A. Chesley, who is in the city on a short visit, looking somewhat a day older than when he left ten years ago for South Africa. Mr. Chesley was appointed Canadian trade commissioner there in 1907, leaving in March of that year. That was during the reconstruction period after the war in South Africa, and a very interesting one in which to live in the city of Cape Town. Mr. Chesley was there for nearly ten years, and returned to Canada the latter part of 1916. He has since lived in Montreal.

Mr. Chesley mentioned this morning that when he left St. John he left his wife and large family of sons and daughters here, but today there is not one of them in the city. One son is in the war, having been once wounded and now back to the front. Another is in Montreal and a third in Winnipeg. One daughter is married in South Africa, another in Toronto, another in Pennsylvania, and so on, leaving only Mr. and Mrs. Chesley in their Montreal home.

Mr. Chesley was once at the head of a large foundry in the old city of Portland. He was for many years in civic life, both in old Portland and the new city, and was once a member of parliament representing this constituency. He takes an active interest in civic life in public questions, but when he comes to speak of the growth and development of the city of Montreal he is an enthusiast. Mr. Chesley is at the Clifton.

### VICTIM OF GERMAN GAS

Gunner William H. Smith, aged twenty-four years, died in Fredericton on Sunday, of tuberculosis, a victim of German gas. Gunner Smith enlisted with the 8th Battalion of Field Artillery, mobilized under Major Walter Crowe. He left with the battery in February, 1916, for England, and was Robt. a short time when the battery went over to France with the 9th Howitzer Brigade. On June 22nd, at the third battle of Ypres, while engaged with the artillery, he was badly gassed, but kept on with his battery until they got to the Somme in September, when he contracted a cold which developed into tuberculosis. He was taken to England and given every treatment that was known to try and curb the disease, but his lungs were so weakened from the German gas that nothing could be done for him and he was given leave of absence to come home in the hope that the climate of his own country would be beneficial.

On May 28th he arrived in Fredericton. At the time of his enlistment he was one of the managers of the Arctic Club and for some time had been employed in the west. He is survived by his parents, Mr. and Mrs. Edwin W. Smith, three brothers, Albert T. Smith, Pte. Hugh F. Smith of the Dental Corps, and Donald at home, and three sisters, Misses Dorothy, Daisy and Marjory at home.

#### Killed in Action

Gunner Harold Barnett, of York county, has given his life for king and country. He enlisted in Fredericton in January, 1916, with a battery of artillery, later going to Fort Brudenell and thence to Quebec. A short time later he went overseas. He was only twenty-one years of age and is survived by his parents and three sisters, Pearl, a graduate nurse, and Daisy and Mabel at home.

#### Lieut. Mowat Wounded

Alex Mowat, Campbellton, has received a telegram from Ottawa informing him that his son, Fred, had been wounded in the right arm by gunshot in hospital, Letouquet. Lieut. Fred T. Mowat sailed from Halifax last November and upon the disembarking of the 1st battalion in England, he took several courses, crossing over to France in May, was attached to a Montreal regiment and took part in two previous engagements before being wounded in the last big drive.
