## AS TO BOXING BOUTS

BIRTHS

In a letter to The Times, George V. Parker tells of arranging a boxing exhibition, twenty-five per cent. of the profits to go to the patriotic fund, of postponing the exhibition in order not to conflict with the exhibition in the Imperial Theatre on New Year's evening, and of receiving word yesterday from the police that the commissioner of public safety had given orders that he could not hold the exhibition. He asks why he is barred from holding an exhibition while the war veterans can hold theirs.

In a letter to The Times, George V. Montreal, Dec. 30—Lord Shaughnessy has sent the following telegram to all officers and employes of the Canadian Pacific Railway:

"My very best wishes for the New Year. May it bring peace on the terms of Britain and her allies."

In reply to this Commissioner McLellan said today that the message he had sent-was that the exhibition could not be held without a license, this being according to the law. All licenses are issued by the mayor and the commissioner has no control over them. With regard to the show in the Imperial, the commissioner pointed out that it has not been the custom to charge license fees for affairs entirely for patriotic purposes. The commissioner added a warning regarding the difference between an athletic exhibition and a prize fight. The latter is prohibited by the dominion criminal code and 'oth participants and spectators would be liable to arrest.

When application was made to Mayor Hayes for a license, His Worship said today, he refused to grant a license, leaving the matter to the police.

Mr. and McFarlane kept roomers and Shiedy, who was a roomer, came in the house one night,—it was said he was drinking,—went up stairs and instead of turning the gas jet on and lighting it, he broke the pipe off. Mrs. McFarlane was going up stairs with a lamp in her hand, smelt gas, and called her husband. On his arriving they opened the door and an explosion followed. The annual Christmas entertainment of the Ludlow Street Baptist Sunday school was held last evening and many attended. This year, instead of the scholars receiving a treat, they voted to have the money given to the Belgians. This, with a special self-denial gift which they gave last night, will mean a contribution of about \$50. Following a short address by the superintendent, R. H. Parsons, an interesting programme was carried out as follows. Recitation, Gray Belyea; humorous dialogue in two acts, "Christmas at Finnegan's Flat," characters assumed by Hazen Fairweather, Clarence E. Rupert, I. Ronald Carlin, Tom Robinson, Chas. Those taking part in the dialogue showed excellent ability. A patriotic drill and chorus by the primary and a recitation by Evelyn McPherson added greatly to the enjoyment of the programme which was brought to a close with the appearance of Santa Claus to whom was presented the money from the Sunday school for the Belgians. The presentation was made by Deacon Ring, Miss M. E. Mullin, treasurer and the pastor, Rev. W. R. Robinson. A very enjoyable evening closed with the singing of the national anthem.
