DOROTHY'S DIARY

No. 3

My room at Mrs. Lazarus' is just lovely. Really, I should have written "OUR room" because I am sharing it with my new friend, Alice McBee.

What a strange way to make a friend—through a want ad! But it's a very satisfactory way because Alice and I "hit it off" splendidly right from the start.

A letter from Aunt Mary today awaited me at the hotel. She is worrying about my finding a job. Well, Diary, if my "Situation Wanted" ad pulls as quick results as my ad for a roommate, I have nothing to worry about.

Alice has the most beautiful hair I have ever seen!

(Continued tomorrow.)
