### BACK TO THE BIBLE MEETINGS

PARADISE HALL—King and Charlotte.  
Evangelist Ewen D. Lamont.  
Evangelist Lamont solemnly declares, on the authority  
of the Bible, that another world war is imminent, when the  
five continents and the seven seas will resound with the din  
and clash of modern instruments of destruction. Famine,  
plague and pestilence, unprecedented in world history, will  
also destroy millions.  
A great general with an army of millions will suddenly  
take part, using light rays as an instrument of destruction,  
bringing the war to an abrupt end and ushering in peace.

Decalogue?" Hear this interesting Bible lecture Sunday,

## Will Give Concert in King Square on July 1

THE NEW ENGLAND STAFF BAND OF THE CITY OF BOSTON.  
This is a picture of the headquarters band for the Salvation Army forces in New England Province. It has an enrollment of 30 efficient musicians. Its conductor, Staff-Captain Robert Young, was formerly associ-  
ated with the International Trade Band, Toronto Temple Band, Buffalo City Band and the National Staff  
Band of New York. He is a bandmaster of acknowledged ability and gets excellent harmony from his men.  
The assistant director, Ensign Erick Laidson is a graduate of the Royal College of Music, Stockholm,  
Sweden. He accomplishes the difficult feat of singing a solo and accompanying himself on two instruments  
at the same time.  
The programme includes a trombone quintette, saxophone quartette, ocarina solos with whistling accom-  
paniment, etc.  
The male chorus will sing plantation melodies with pleasing effect.  
The hand bell ringers will also contribute to the programme.  
A concert will be given on King Square at 8 p.m. Tuesday, the holiday.

compel them to file tariffs with the  
Board of Grain Commissioners and  
that the legislation of last session on  
this matter was "nonsensical" featured  
debate in the House of Commons this  
evening. A resolution moved by Hon.  
T. A. Low, Minister of Trade and  
Commerce, providing for an amend-  
ment to the Inland Water Freight  
Rates Act, passed last session, was  
under consideration.

A 50 per cent. reduction of the pres-  
ent ocean rates on cattle from Canada  
to England is advocated in a pamphlet  
which has been circulated among the  
members of Parliament by the Man-  
itoba Free Press, of Winnipeg. The  
pamphlet quotes figures to show that  
the cost of marketing Canadian cattle  
in the United Kingdom today is ap-  
proximately 75 per cent. more than  
in 1914.

#### TO BE ORDAINED.

A. Kinsella and his daughter, Mrs.  
E. J. Henneberry, have left for Hal-  
fax to attend the ordination of his  
son, Arthur William Kinsella, to the  
order of sub-deacon.

Oak Hall will be open Monday night  
till ten. Closed all day Tuesday, July 1.

#### FOR WHAT YOU WANT—ADVERTISE.

(Victoria Colonist.)  
Vancouver is advertising, and ad-  
vertising largely, in the newspapers of  
the continent for both tourists and  
industries. That city, very much alive  
to its interests, refuses to put all its  
eggs in one basket.

Oak Hall will be open Monday night  
till ten. Closed all day Tuesday, July 1.

lowed out very low in front and have  
but a single strap across the instep.

IF anything happened to you, would he

"Blind Alley" jobs require little education

demand education and a period of service  
at a small remuneration.
