Dundee and Tander.

New York, April 24.—Johnny Dundee, junior lightweight title holder, will meet Lew Tander of Philadelphia in a fifteen-round contest at Madison Square Garden on May 5, so promoters announced last night. The match will take the place of a scheduled match between Johnny Buff and Joe Lynch for the bantamweight title, postponed when Buff developed swollen neck glands.

J. W. Hall's Horses.

(Edmundston Observer.)

This week a visit was made to that well known sportsman and man of affairs, J. W. Hall. Mr. Hall is keenly interested in sports of all kinds. He is a successful business man; he is an old resident. He is the president of the Board of Trade. Mr. Hall is the man who imported those two well known horses, College Swift, with a record of 2:14, and Togo M., with a record of 2:14, and several others which have made good in the New Brunswick circuit. The writer had the privilege of going through the stables and of seeing the noble animals which have almost human intelligence. A number of work horses just imported from Ontario are there, but the horses of most interest to our readers are the ones built for speed. Some of these are "Colonel Alexander," a seven year old gelding recently imported from the west, a horse that has started eight times, and come in a winner seven. "Peters Pride," a seal brown green trotter, a daughter of Peter the Great, the most famous sire in the world. This mare in a trial mile on a half mile track did it in 2:12. "The Perfection," by the Exponent, a six year old mare, never yet raced professionally, but a horse with every mark of a blue ribbon winner. Then there is "Bingle," by Bingle, a Montreal pace mare, weighing 1,100, which stepped quarters on the ice in 32 1/2 seconds. And the green pacer seven years old, "King Margrave," by Margrave, a 1200 lb. Roan. And before I close the children must hear about the little Shetland pony weighing only 400 pounds. This little lady is as quiet and as intelligent as lots of people. She seems to know that chil-

aren love her, and rubs her nose against them as they speak to her. The stables are in charge of Fred Morris, and the evident care expended on the horses, shows that he not only feels his responsibility, but has a genuine affection for his charge.

Use the Want Ad. Way

Those repairs won't be expensive

Not if you use genuine Beaver Board. The cost of Beaver Boarding is surprisingly low, yet the results are as permanent as they are good looking.

You can nail the big panels over old plaster or directly to joists and studding as easily as you would in finishing up new interiors. Either way you can count on a job that's eminently satisfactory.

Genuine Beaver Board is knotless, flawless manufactured lumber, made from white spruce logs. Each panel is sized by the patented Sealite process, which makes a perfect painting surface.

Nail up the panels, paint, if you care to decorate, add the finishing wood strips and the job is complete. It's quick, clean work, with little sawing and practically no waste, muss or litter.

So, don't postpone needed repairs or remodeling work because you fear the trouble or expense. Any carpenter or lumber dealer in town will gladly estimate the cost of the Beaver Boarding you want to do. See about it today.

Above all, be sure you use genuine Beaver Board. Look for the Beaver Quality trade-mark on the back of each panel. It is there for your protection. Insist upon seeing it.

Men have changed their minds

Those men who formerly thought it wise to choose a cheap suit for reasons of price, now know that this was false economy.

They realize that it is both good business and sound finance to wear good-looking, well-fitting garments, that hold their shape because of the careful tailoring and superior fabrics in them.

A price is never cheap unless backed by quality and service. Fit-Reform Spring Suits and Overcoats have the first and give the second.
