

RESULTS REMARKABLE SAYS NEW YORK MAN

Prominent Rochester Citizen,
Tried Ten Years to Get Relief,
But Tanlac Is Only Thing That Helped Him.

One of the latest to testify regarding the powers of Tanlac, the celebrated medicine which has been accomplishing such remarkable results, is James J. Beasley, 102 Elmwood Avenue, Rochester, New York. Mr. Beasley has been chief record keeper for the department of Water Works, city of Rochester, for thirty years and is a well known and highly respected citizen. In referring to the remarkable recovery of his health by the use of Tanlac, Mr. Beasley said:

"I have been trying for ten years to find relief from a case of dyspepsia. Nothing ever helped me to amount to anything until I got Tanlac. This is saying a great deal, for I did everything it seems that a man could do to find relief. Of course, I was hardly ever sick enough to go to bed and was most able to keep going, but I just never felt right. At times during those ten years, my stomach would become sour like vinegar. I would have an uncomfortable bloated up feeling after eating that would last for hours. I suffered a great deal from nausea. At times my heart would flutter and palpitate and I would become alarmed over my condition. My nerves were on edge all the time, and I became irritable, nervous and restless. I had no strength or energy to do anything. In fact I wasn't myself at all. For a week or two ago I was an effort for me to get out of my chair and I felt as stiff and clumsy as an old work horse."

"It is really remarkable what Tanlac has accomplished in my case. It has re-

lieved me entirely of indigestion. I never have any distressing feeling any more after eating, and I will always feel grateful for what this wonderful medicine has done for me and I am only too glad to give it my heartiest endorsement."

Tanlac is sold by F. W. Munro, and the Ross Drug Co., L. C. Allingham, Campbell, N. B.; T. H. Wilson, Fairville, N. B.—(Adv.)

MOSHER ON PAY OF RAILWAY MEN

Declares Higher Wages Not Cause of Financial Position of Roads

Wrong, He Says, to Start Pruning in United States. Says Canadian Workers Will Resist Reducing Living Standard.

Ottawa, March 17.—"Untrue and absolutely absurd" are some of the emphatic terms used in a lengthy statement issued by A. R. Mosher, grand president of the Canadian Brotherhood of Railroad Employees, last night, in reply to assertions that the embarrassing financial position of several railroads, notably the Canadian Government Railways, is due to increased wages paid railroad employees.

Mr. Mosher cited figures with a view of showing that the average wage paid railroad employees in Canada is low. He further emphasized that for years previous to the war, wages paid railroad employees were notoriously low, and that it was only by persistent efforts on the part of the railroad brotherhoods and organizations that wages have been brought on a level with wages paid in other trades.

As one step toward the solution of the railway problem, Mr. Mosher reiterated the railway brotherhoods' request that the employees be given a directing voice in the conduct of railway operations. In the course of a lengthy statement Mr. Mosher criticized the proposed wages pruning in the United States by starting with the man of the small pay envelope. He said those who are doing the wage reductions are doing the very thing that will destroy any chance of co-operation between employee and employer.

"The great mass of workers in Canada today are sane and desire amicable relations with employers, but they will emphatically resist any effort to reduce the present standard of living."

"The first duty of governments and of industry is the well being and happiness of all the people, and not the process of a system that enables a few to live in luxury while others suffer want and hunger. If business construction upon its present basis cannot afford reasonable protection in wages and conditions to those who are willing to work and to those who become incapacitated as a result of work then our effort should be directed to forming a system that would provide such protection."

YESTERDAY WITH THE ROTARIANS

At yesterday afternoon's session of the Rotary convention, District Governor Sexton had with him on the platform Forest Perkins, No. 9 district governor; Willard Lansing of Providence, R. I., and Past President Albert Adams. The remainder of the reports from the club were for St. Stephen, N. B., where the report was read by A. M. Belding. He detailed two fundamental principles relating to club welfare. He said the present was with those who had faith, but the future lay with those in the cradle. Harry Gorbell of Charlotte, N. C., told of what his club had done in the way of work. Charles Heustell of St. Stephen and L. A. Buckley of Halifax spoke for their clubs.

A splendid address was delivered by Albert Adams of Atlanta, Ga. He extended the greetings of Rotarians on the other side of the line and gave a spirited address on the international programme for the year's work. Among other things he said that Rotary taught to be friendly first, and it taught not to be ashamed of showing love for the other fellow. As individual members interpreted Rotary as would the community interpret it. While dealing with boys' work he said he had been asked if Rotary did not think of the girls, and he had replied that no girls' work was needed if boys were made good boys.

Speaking of the Edinburgh convention to be held in June, he said it was a great venture in a new, uncharted field, and he believed it would cement together the English-speaking peoples as they had never been cemented before, as Rotary was based on friendship and on men. He thought "Service above Self" the best motto for Rotary.

The Rotary dinner in the evening was a splendid function. The Rotarians, their wives and friends to the number of about 800 sat down to an excellent banquet, for which Rotarian John Bond was caterer. A carnival spirit of revelry prevailed, borne out by the Rotary songs under the leadership of Dr. Spangler. A toast list was then honored. The toast to Canada was responded to by the singing of "O Canada" and an address by L. P. D. Tilley. The toast to Rotary was responded to by Canon R. A. Armstrong, the toast to "headquarters" by
