

TO THE CITIZENS OF SAINT JOHN

The 18th Reserve Battalion, it is announced, is now on the ocean, and it is expected will reach St. John for demobilization on or about July 5.

As it is desirable that a welcome worthy the valor and sacrifice of these returning citizen-soldiers shall be accorded them, it is requested that all patriotic citizens shall display bunting on their buildings on the day of arrival and that they shall also turn out and manifest their appreciation of the men as they parade through the street.

All patriotic organizations are requested to assist in the public welcome to the returning men.

R. T. HAYES,
Honorary Chairman Citizens' Reception Committee.

GOOD THINGS COMING TO THEATRES OF ST. JOHN AT THE OPERA HOUSE

Human Corkscrew and Other Features—Tonight—Fine New Bill For Holiday

Did you ever see a human corkscrew—one of those things that can make both ends meet without any trouble—a real rubber neck and with a spine evidently made of a piece of rubber hose? There is a chap just like this at the Opera House tonight, the best "limber jack" the local stage ever saw. He is a whole show in himself and worth seeing. There are four other good features and the serial picture, "The Tiger's Trail." This evening at 7:30 and 9, for the last time.

The new change of bill opening tomorrow afternoon for the holiday offers The Four Laurels, a mixed quartette, in a musical comedy melange of songs, dances, and a little witty chat; Malicia Bonconi, extraordinary violinist; James and Renard, two dashing girls in a comedy skit; Billy Brown in comedy songs, yams and music; Two Jesters in a vocal and piano offering and the serial "The Man of Might." This evening at 7:30 and 9, for the last time.

"Mickey" A Big Holiday Attraction

The Mabel Normand seven-reel comedy drama "Mickey," which opened its run at the Imperial this afternoon, will be the central holiday attraction in town tomorrow, and one of the most notable laughing and thrilling pictures of the year. Doors open at 1:30 and 6:30 with shows starting at 2 o'clock, 5:30, 7 and 9:45. Don't forget that as usual upon public holidays the children are charged ten cents instead of a nickel. This has been the Imperial's rule from its opening. Sure to be a rush tonight and tomorrow, so be early.

LOCAL NEWS

One of the features of races at Bel-yeux Point tomorrow under the auspices of the St. John Power Boat Club, will be a single scull race between Robert and Hilton Belyea. An endeavor is also being made to have a four-oared race. One boat is ready and another is being rushed to completion and if finished the race will be held, as two crews have been in training—using the one boat—for some time.

Yesterday four single oared and two crews in a four-oared shell were rowing about the harbor and the scene resembled the old days when sport of this kind was popular in St. John.

The Belyea brothers are behind the movement to revive racing and are already laying plans for the big week
