The teams were very evenly matched and played a good game. The batsmen were, for the P. M. A., McLaughlin and Harrington, and for the C. M. B. A., Dever and Hansen.

Umpire In Danger. Willabrook, Pa., July 18.—Two thousand and perhaps of the home team angered by decisions which they evidently believed were unfair, caused a close game with Trenton Wednesday, swarmed out on the field at the close of play and made a rush for Umpire Chesley. Seven members of the state athletic board, hurried to Chesley's aid, and beat off his assailants with their clubs. The umpire's escort then got him into a dressing room and for two hours stood guard over him while the mob raged outside. Finally the police cleared the ground.

Giants Buy Pitcher. The New York Nationals on Wednesday bought pitcher Paddy Green of the Holyoke Mass. club of the Connecticut league for \$8,000, the highest price ever paid for a player in the league. Green who is a large young man, never pitched professional ball until last April, when he joined the Holyoke team but has since made a splendid record. Four major league clubs have tried to purchase him. He comes from Huntington, Me. and was a woodchopper.

Ottawa Supports Game. Ottawa, July 18.—By the end of this week the Ottawa Baseball Club expect to have taken in \$12,000 at the gate, \$10,000 having been received up to Wednesday. The ball club have turned over \$1,200 to the city as rental for the Lansdowne Park grounds, more than any other athletic organization has ever contributed, showing the firm grip that baseball has taken on the capital. It is figured that the ball club will cost about \$10,000 to run for the season and, at the league race in but half way through the promoters expect to get them in a golden harvest. Next season it is probable that the club will have a new ball park the equal of those of many of the class A clubs.

Struck By Ball He Matted Himself. It is seldom that a batsman is hit by a batted ball and declared out. The batsmen of the game have learned the base runner's being out by a batted ball. However, a pro made that if the base runner

ruled out by being hit by a batted ball, hit the ball himself he does not receive credit for a hit. This happened to Ginchell in a Tiger-Brown. He dropped a puppy one in front of the plate and the ball rolled down his back when he started for first. He was declared out.

Local Notes. The R. K. Y. C. has received an invitation to take part in a regatta at Port Hood, N. S., on July 22 under the auspices of Fishermen's Union Station 30. The secretary has also received a communication from the committee of the Royal Nova Scotia Yacht Squadron announcing a race for the Prince of Wales Cup for Thursday, August 15 at eleven a. m. H. R. H. the Duke of Connaught will present the cup.
