**WAS 48 YEARS CASHIER
OF A BANK IN MAINE**

After serving the Second National Bank, now the Skowhegan Trust Co., in Skowhegan, Me., continuously as cashier for nearly forty-eight years, James Fellows has tendered his resignation to the board of directors. The institution loses one of its most efficient bankers in the state, and its resignation is deeply felt by many people throughout the country, who have done business with him for years. Mr. Fellows deserves a rest, and because of his incessant work he felt that he needed his change.
Mr. Fellows is Maine's oldest cashier. He began the banking business on Madison avenue in the old "Barnet" bank. This was in 1862. In 1865, he became cashier of the Second National Bank, one year after it had been organized. He was then twenty-eight years old. Until about ten years ago he did his work in the bank almost entirely alone. Then Rupert Brown came as his assistant and has remained since, now being assistant

FUSILIERS IN BOSTON MAKE A GREAT HIT

People and Papers Agree That Marching of St. John Regiment Was Feature of Parade—Officers and Men Royally Entertained

Boston, June 18.—The public and press unanimously agree that one of the best features of the Bunker Hill parade yesterday was the marching of the 62nd Regiment, Fusiliers of St. John, Lieut.-Colonel J. L. McAvity commanding.
The presence of the St. John boys marked a new era in patriotic celebrations here inasmuch as never before have British and United States troops joined in commemorating the famous fight which, by the way, is regarded as largely a drawn battle. Today the Fusiliers, escorted by the 8th Regiment, paraded from South Army to Trinity church for service. Crowds lined the route cheering the visitors as they passed. After service the regiment marched to Rowes wharf and boarded a special steamer for Nantasket as guests of the city of Boston, returning to the city tonight. During the dinner at Nantasket, Mayor Fitzgerald and Lieut.-Colonel McAvity and others exchanged greetings. The visitors are being overwhelmed with entertainments and are finding it difficult to visit friends.
Regarding yesterday's parade in Charlestown, the Globe voices the opinion of the entire press of the city in the following language:
"The presence of British troops carrying arms in a June 17 celebration was certainly a unique spectacle. The Fusiliers from St. John (N. B.) are here as the guests of the 8th Regiment, M. V. They looked and carried themselves like veterans. Their officers were particularly fine looking lot of men. There were some company parades in the organization with a band and bugle corps."
"The visitors were particularly well received and enthusiastically cheered by the thousands along the line of march. Their brilliant red coats and beaming added color to the picturesqueness of the parade."
"Lieut.-Colonel McAvity has been connected with the regiment for more than twenty-eight years, serving practically through from the ranks to the command to which he succeeded in December, 1899. He belongs to an old New Brunswick family and is a director of the New Brunswick Telephone Company, of T. McAvity & Sons, Ltd., and of other industrial companies largely in the iron and coal business. He is a member of several Masonic lodges."

Last night the officers were banqueted by Governor Foss at the Algonquin Club, Commonwealth avenue, and many of the privates were entertained at a smoke talk in the armory. Quite a number, however, visited friends and relatives.

Word of the death of John McKane in San Francisco, has been received at Newcastle, N. He had only recently returned from England in company with W. Max Aitken, M. P.
Mr. McKane was a native of Scotland, being born in Dunfermline. Intermest will be in San Francisco, where the funeral arrangements were attended to by Albert Willard, an uncle of Mrs. McKane, who is in San Francisco.

ORDINATION SERVICE

An Event in Connection With Methodist Conference—The Ne Temere Decree

At the service in Ordination church yesterday morning Rev. M. A. Knight, president of the Methodist Conference indicated Rev. A. J. Gould and Rev. G. W. Tilley, B. A., into the ministry. Rev. Mr. Tilley has been recently elected at Newton and is a graduate of Mr. Allison, Rev. Mr. Gould was educated in England, his former home.
Rev. Dr. Rogers preached an impressive sermon emphasizing the importance of the work of the ministry and the great responsibility resting upon the young men who accepted the call to the service of the church.
At Saturday afternoon's session of the conference the following resolution on the Ne Temere decree was introduced and debated and was to be taken up again some time later.
"Whereas of late it has been amply demonstrated that the Roman Catholic church in Canada has adopted a policy of aggression towards all other churches, it is hereby resolved that this conference express its conviction that the Roman Catholic church, particularly any claim which touches the civil rights of the people.
"Further resolved, that we utter a most emphatic protest against the claims put forth by the decree commonly known as the 'Ne Temere'.
"Further resolved that we express our belief that the time has come when the people called Methodists throughout the bounds of this conference to give diligent study to this problem, which study we have confidence to believe will result in the conclusion that no other interest touching the public welfare can surpass this in importance when the Canadian voter is called upon to settle questions of state at the polls.
"Further resolved that in face of the fact that evidence has been given in the courts of Canada that Roman Catholic priests have on more than one occasion interfered in the home and in the marriage relation, that Canada follow the example of Italy and that we ask for such legislation as would safeguard the sacred rights of the people by making such interference by either clergyman, minister or priest, a criminal offence.
"And he further resolved that we express our hope that some measure will be immediately taken to secure concerted action voicing the views and wishes on this matter of the Protestants of Canada so that the hierarchy of the Roman Catholic church and the rulers of other lands may know the determination of Protestantism and the will of the people."
