

Choir Report.

LONDON, January, 1892.

I have much pleasure in presenting our report for the year 1891. I am pleased to say that our regular Church Services and practices have always been well attended by the members of the Choir who, I am sure, take an active interest in all our work, and we think it gratifying to state that the musical part of the worship has improved this year, and from the efforts which are being put forth by those interested in our part of the Church Service, we hope to make the music of 1892 second to no department of our Church work.

CHARLES E. WHEELER, WM. B. GILLESPIE,
Organist and Director. Secretary of Choir.
