

A subscription has been started at London on behalf of the widows and children of the miners killed in the mine near Scranton, Pa. Two Scotch gentlemen are at present on a Rhine excursion in the real kilt and plaid... Dr. Mudd has recalled nearly all his practice. His innocence of complicity with Booth conceded, and his old neighbors love him the more for the Christian patience with which he suffered it. His health, however, is much impaired.

On the 16th instant, by the Rev. W. Q.etchum, Capt. John S. Maloney, to Amy C. Ford daughter of Mr. James Stevenson, all this town.

and acknowledged by many prominent physicians to be the most reliable Preparation ever introduced for the RELIEF and CURE of all LUNG COMPLAINTS.

This well known remedy is offered to the public, sanctioned by the experience of over forty years; and when resorted to in season, seldom fails to effect a speedy cure of

Coughs, Colds, Croup, Bronchitis, Influenza, Whooping Cough, Hoarseness, Fatigue or Soreness in the Chest and Throat, Bleeding at the Lungs, Liver Complaints, &c.

The unequalled success that has attended the application of this medicine in all cases of PULMONARY COMPLAINTS

has induced many physicians of high standing to employ it in their practice, some of whom advise or of the fact of their own signatures. We have space only for the names of a few of these:—

ALST. HATCH, M.D. A. A. GIBB, M.D. E. BOWEN, M.D. W. H. WARR, M.D. W. A. RICE, M.D. W. B. LYON, M.D. R. FELLOW, M.D. A. PELLISSIER, M.D. NATHAN FLEMING, M.D. H. D. MARTIN, M.D. H. O. BARROW, M.D. W. A. STAM, M.D. BRADFORD KRAFT, M.D. W. A. MACARTHUR, M.D. STRAUCH THORNTON, M.D. S. H. FRIEL, M.D.

Each testimony CANNOT BE DISCREDITED. From the mass of evidence in our possession we select the following:—

From L. J. RACINE, Esq., of Le Motier, Montreal. "Having experienced the most gratifying results from the use of Dr. Wistar's Balsam of Wild Cherry, I am induced to express the great confidence which I have in its efficacy. For several months I was most cruelly afflicted with a severe and obstinate cough, accompanied with acute pain in the side, which did not leave me, summer or winter. The physicians increased dosages, and so reduced was I that I could walk but a few steps without resting or leaving the house. From the balsam I commenced taking on the 15th of June, and in a few days I was enabled to leave my bed, and in a few days I was completely restored to health. I have used the Balsam by myself, and administered it to my children, with the happiest results. I can assure that each Canadian who uses the Balsam can but speak in its favor. It is a preparation which can only be tried to be acknowledged as the remedy par excellence."

A CURE FOR WHOOPING COUGH.

ST. HELENS, C.E., Aug. 21, 1868. Messrs. SETH W. FOWLE & SON, GENTLEMEN—Several months since a little daughter of mine, the year of age, was taken with whooping cough in a very aggravated form, and nothing was doing to get her better in any way to relieve her sufferings. We at length decided to try a bottle of Dr. Wistar's Balsam of Wild Cherry. In three hours after she had commenced taking it, she was greatly relieved, and in less than three days was entirely cured, and in one week I have since recommended the Balsam to many of my neighbors who have used it, and in no case have I known it fail of effecting a speedy cure. I can assure that every parent who has any of the above symptoms should try it. It is a preparation which can only be tried to be acknowledged as the remedy par excellence."

F. GUTTIE, Proprietor of the Courier & St. Stephenian.
