## A CRITICAL PERIOD

**INTELLIGENT WOMEN PREPARE**  
Dangers and Pain of This Critical  
Period Avoided by the Use of Lydia  
E. Pinkham's Vegetable Compound.

How many women  
realize that the most  
critical period in a  
woman's existence  
is the change of life,  
and that the anxiety  
felt by women as  
this time draws near  
is not without  
reason?

If her system is in  
a deranged condition, or she is predis-  
posed to apoplexy of any organ, it is at  
this time likely to become active and,  
with a host of nervous irritations, make  
life a burden.

At this time, also, cancers and tumors  
are more liable to begin their destructive  
work. Such warning symptoms as a  
sense of suffocation, hot flashes, dizziness,  
headache, dread of impending evil,  
sounds in the ears, timidity, palpitation  
of the heart, sparks before the eyes, ir-  
regularities, constipation, variable appetite,  
weakness and inquietude are promptly  
heeded by intelligent women who are  
approaching the period of life when  
woman's great change may be expected.

Lydia E. Pinkham's Vegetable Com-  
pound is the world's greatest remedy for  
women at this trying period.

Lydia E. Pinkham's Vegetable Com-  
pound invigorates and strengthens the  
female organism, and builds up the  
weakened nervous system as no other  
medicine can.

Mrs. L. Belleau of 17 Ramsey  
St., Quebec, Que., writes:  
Dear Mrs. Pinkham:

"Lydia E. Pinkham's Vegetable Compound  
assisted me to pass the change of life with  
very little sickness and pain, and I am  
pleased to give it my endorsement, for I feel  
that it is the medicine which every woman  
should take. I am the mother of three  
children, and when I reached the age of fifty  
naturally my health was none too good, and  
I feel sure that if I had not your Vege-  
table Compound I should not have passed  
the climax safely. I took it off and on for  
two years and now find that I am in splendid  
health and strength and feel younger and  
better than I did ten years ago. Much praise  
to your medicine, and may all suffering  
women learn of its value."

For special advice regarding this im-  
portant period, women are invited to  
write to Mrs. Pinkham, Lynn, Mass.  
She is a daughter-in-law of Lydia E.  
Pinkham and for twenty-five years has  
been advising sick women free of charge.  
Her advice is free and always helpful to  
suffering women.

The 7-year-old daughter of Mr. R.  
W. Newton of the Norwich road, near  
Woodstock, had her hip dislocated in a  
runaway on Saturday.

John Whitely, a young Indian, of  
the six Nations reserve, was instantly  
killed on Saturday evening last by  
being run down with a train while  
walking on the Grand Trunk tracks  
between St. Catharines and Jordan.

Paul Claus was Sunday arrested  
by Constables Macfarlane and Kerr  
Brantford, on the charge of illicitly  
selling liquor at his house on the  
reserve last autumn.

## TURKS RAID PERSIA

Troops Swarming Over the  
Northwest Frontier.

### CHRISTIANS ARE MASSACRED

Village of Mavanch Destroyed—Sev-  
enty-Eight Inhabitants Killed—  
Mostly Women and Children—  
Not Caused by Invaders—Per-  
sian Soldiers Join Turks—  
Large City Is Threatened.

Teheran, Persia, Aug. 6.—The in-  
cursions of Turkish troops across the  
northwest frontier of Persia, which  
for some time has been in abeyance,  
have broken out.

A serious riot has occurred near  
Urumiah, 6,000 Turkish troops, with  
artillery, having crossed the frontier  
and destroyed Mavanch. Seventy-  
eight villagers, of whom 60 were wo-  
men and children, mostly Christians,  
were killed.

Subsequently the Turkish invaders  
and the combined force is said to be  
threatening Urumiah, a centre of mis-  
sionary activity, which has a popula-  
tion estimated at between 30,000 and  
50,000 persons, including many Chris-  
tians.

It is considered probable that Rus-  
sia and Great Britain will be appeal-  
ed to to bring pressure to bear upon  
Turkey in order to stop the raid.

### MAY SHELL CASABLANCA.

French Cruiser Ready to Bombard  
Moorish City.

Tangier, Aug. 6.—The latest advices  
from Casablanca say that most of the  
hostile Moorish tribesmen surround-  
ing the town have retired after a  
bloody fight with the natives inside.

Signals have been arranged by  
which the French cruiser Galilee will  
bombard the native quarter of Casa-  
blanca in the event of a renewal of  
the attacks on Europeans.

The French cruiser Duchesne has  
gone to Mazagan, off the coast of  
Morocco, in answer to the appeals of  
Europeans there.

The expeditionary force to be sent  
to Morocco by the French Govern-  
ment will consist of two battalions of  
Algerian sharpshooters, and a bat-  
talion of the foreign legion, making a  
total of 2,400 infantry, two batteries  
of artillery, a detachment of 300 light  
cavalry and half a squadron of Span-  
ish Algerian cavalry in the French  
service.

### BLAZE AT OTTAWA.

Exhibition Buildings and Grand Stand  
Destroyed—Damage \$60,000.

Ottawa, Aug. 6.—The grand stand  
and several of the Exhibition build-  
ings were totally destroyed by fire  
last night. Athletic sports had been  
held in the afternoon, and it is pre-  
sumed that someone left the lighted  
stub of a cigar on the stand.

The stand, the central experiment-  
al farm building, the C.P.R. offices,  
the ticket office, and, in fact, all the  
frame structures, went up. The loss  
will be about \$60,000.

Hawk's Mills Destroyed.

Toronto, Aug. 6.—Fire last night  
destroyed Hawk's lumber mills on  
Patton road, and, together with the  
buildings, most all the lumber in the  
yard was burned.

The alarm was given about 10.15,  
and at that time the whole structure  
was a mass of flames. The brigade  
answered promptly, and the men got  
to work quickly, but the fire had al-  
ready made too much progress.

Two steamers answered the call, but  
only one was used, and the pressure  
did not seem to be very good.

The total loss on the building will  
amount to about \$50,000, with no in-  
surance.

The origin of the fire is unknown,  
but it is thought to be incendiary.

Furniture Trust Dissolves.

Chicago, Aug. 6.—United States Dis-  
trict Judge Landis yesterday ordered  
the dissolution of the Furniture Trust,  
recently dissolved by the court, for  
admitted violation of the anti-trust  
laws.

The court entered a decree making  
permanent injunctions previously is-  
sued against the companies that were  
dissolved, restraining them from fur-  
ther trust agreements or conspiracies to  
monopolize and restrain trade in vi-  
olation of the law.

Was Tired of Life.

Frederick, N.B., Aug. 6.—With  
the excuse that he was "tired of life,"  
Hoskiah Estabrooke, one of the old-  
est residents of Marysville, was found  
yesterday morning with his throat cut  
in three places.

He is 87 years old and a prominent  
man. His wife died several years ago  
and lately he has been melancholy.

Arthur Lee, M.P., Ill.

Ottawa, Aug. 6.—Arthur Lee, M.P.  
for South Hants, has notified his con-  
stituents that, owing to ill-health, he  
has been compelled to give up Parlia-  
mentary work for the present, and  
has paired for the remainder of the  
season.

Bursting of Tire Kills Man.

Bridgeport, Conn., Aug. 6.—By the  
bursting of a tire on an automobile  
yesterday, as it was racing through  
Southport, one man was killed and  
another badly injured.

State Enjoined.

St. Paul, Aug. 6.—Judge Van Ven-  
ter yesterday enjoined the Secretary  
of State of Arkansas from forfeiting  
the right of the Rock Island to do  
business in Arkansas.

Saskatchewan's University.

Regina, Sask., Aug. 6.—The first  
convocation of the provincial univer-  
sity will be held at Regina on Oct. 16.

## CRIME IN NEW YORK

Cowardly Attacks on Women  
and Children.

### POLICE SEEM POWERLESS

Populace Becoming Desperate — At-  
most Lynching Suspects — Serious  
Disorders Feared — Two Italians  
Arraigned — Police With Diffi-  
culty Rescue Them From  
Crowd — Crime Continues.

New York, Aug. 6.—The fact that  
twice Sunday mob vengeance held  
away and lynching was narrowly  
averted, has added to the seriousness  
of the situation of this city, caused by  
the series of crimes in which women  
and young girls are the victims.

The mob attacks reveal a state of  
public exasperation, approach-  
ing panic, which, if it is feared, may lead  
to serious disorder.

Prompt action by the police alone  
saved the two men accused on Sun-  
day from summary justice and prob-  
ably, in the case of George Keister,  
a Russian bookbinder, around whose  
neck a mob had tied a rope, when  
the police reached the scene in force.

It is noteworthy that an old man  
who was attacked, Louis Connela,  
was innocent of any attempt at  
crime, and indicates how readily a  
mistake can be made in time of pub-  
lic agitation of excitement. A little  
girl on the street was slapped by a  
boy acquaintance, who ran when she  
began to cry. A man started after  
the boy and others joined in the  
chase. Connela, who was in the rest  
a few yards and when the boy dis-  
appeared down the alley the man was  
mistaken by the crowd for the offend-  
er and was terribly kicked and  
beaten.

The police are bending every effort  
to give adequate police protection,  
and 1,000 men in plain clothes have  
been scattered about the city, particu-  
larly in the congested quarters, the  
scene of most of the assaults.

The first organized body to take up  
the question is the Central Federat-  
ed Union, which has appointed a  
committee to call on the mayor with  
a demand that he take action that  
will put a stop upon attacks on chil-  
dren. It was stated that if the city  
authorities do not quickly stop the  
crimes, Governor Hughes will be ap-  
pealed to.

Late Sunday night the police received  
news of another attack. It occur-  
ed in the suburb of Richfield Hill.  
Jennie Smith, 22 years old, was at-  
tacked by two men on her way home.  
Her screams brought assistance, and  
one of the assailants was captured.

The arraignment of two Italians  
yesterday in a Brooklyn court dis-  
closed another attempt made Sunday  
night to assault a young woman. The  
two assailants were nearly lynched by  
a mob, which was finally driven off by  
the police. The Italians were over-  
powered Miss Sadie Huzenloper, a  
her fiancée, when the girl's screams  
brought a crowd, which gave chase to  
the men.

Cases of assault and missing chil-  
dren are to have precedence over other  
cases in the police department.

Exciting New York Fire.

New York, Aug. 6.—A spectacular  
fire, which for a time threatened to  
spread to two large office buildings  
in which thousands of persons are  
employed, three Lower Broadway in-  
to great excitement yesterday after-  
noon. The fire started in a five-story  
paint shop on Fulton street. There  
was an explosion and great sheets of  
flames threatened the big buildings of  
the Western Union Telegraph Co. and  
The Evening Mail. Several of the wo-  
men faint, but they were carried  
off by their comrades.

Mounted police rode through the  
crowd, pressing back the excited peo-  
ple and making lanes through which  
the fleeing persons from the two build-  
ing made their way to safety.

Bad Accident at Detroit.

Detroit, Aug. 6.—Three men were  
badly injured, one fatally, by a freight  
elevator in the big Ferry seed house,  
situated from the fourth story of the  
basement, yesterday. The man be-  
lieved to be fatally hurt is John  
Flockton, 59 years of age, who came  
here from Hamilton, Ont., four months  
ago, and has been living with his  
son. He had been in the employ of  
the firm one month. His wife and  
three daughters still live in Hamilton.

The accident was caused by the  
breaking of the elevator cable. The  
latter was inspected only last Sat-  
urday and pronounced in good condi-  
tion.

Merchantsmen Warriors.

The Hague, Aug. 6.—A special se-  
cret committee has rejected the Brit-  
ish proposition that the transforma-  
tion of merchantmen into warships  
on high seas should be forbidden.

A majority of nine votes was given  
in support of the British view, these  
including Italy, Japan and the United  
States. The minority consisting of  
seven votes supporting the right of  
conversion, included Russia, France,  
Austria and Germany.

As a unanimous vote was required  
the proposition was lost.

Railway President Arrested.

New York, Aug. 6.—Ralph Peters,  
president of the Long Island Rail-  
road, who with General Manager Mc-  
Creb, was held responsible by a cor-  
oner's jury for the deaths of Dr. Gal-  
agher and Miss Madigan when an  
automobile collided with a Long Is-  
land Railroad train at St. Alban's,  
Jamaica and held in \$10,000 bail for  
the grand jury.

Investigated Trade Conditions.

Winnipeg, Aug. 6.—John Miller of  
Indian Head, chairman of the Grain  
Commission, has returned from Eng-  
land, where he was investigating  
trade conditions.

He states that the report will be  
ready Aug. 26.
