> Of the several different ways to advertise, the one important nsideration, in connection with the best returns, in dollars "net," is "persistence" — that steady, confident spirt that invariably wins in every form of human endeavor. It is very much like every undertaking worth while; time and patience are required. The spasmodic ef forts of a merchant can have but one logical result—Spasnodic returns and it naturally follows the persistent advertise is the one who receives that steady, paying return in in-
