HERRING SEASON WILL BE BUSY ONE

Nanaimo Canning Company Has Already Received Many Orders.

Nanaimo, Nov. 8.-The Nanaime Herring Canning & Packing Company, Ltd., despite the fact that they ave not yet their cannery erected, have already received orders for their output, and from present indications it will tax the new concern to its utmost fill orders which will pour in after the plant is once in operation. On Saturday a gentleman representing a New York firm, was in the city, having come ver from Vancouver purposely to make n offer to the new cannery for their ntire output this season. The represen ative wished to be assured of 1000 ses per month.

Amongst other letters received was one from a large ship brokers' firm vancouver, asking to be supplied ith herring this year for shipment to Australia. The letter, in part, says: Last year we were only able to obsome 200 1/2-barrels of these salted fish: we wanted 400. The year beore that we shipped 2,000 1/2-barrels." Evidently from the above, and other tters received, there will be an immense demand for the Nanaimo product the company is in shape to do busess. Considerable work has already een done on the cannery site, and the wharf extends now some 80 feet beyond nighwater mark. When completed, the wharf will be some 200 feet long, with a two-story building running the entire length, and with warehouse and offices on the land at the rear of the wharf. The lower story of the wharf building will contain the canning factory proper, the machinery for canning, etc., while the upper story will be used for laquering, label and box
