There have now been several interchanges of compliments between Mr. facts to which he has so often referred man: colleagues in the government have so often alluded. If he fails to do this the sions. As Mr. McInnes says, there is no use mincing matters. Some one is be small enough to do that. to go farther than he has yet done, he character he claims they must have con- resign his position at once. tained something not exactly creditable

Mr. McInnes claims that Mr. Turner Governor in the memorial which was note from Mr. Turner to His Honor the Lieut.-Governor appears:

"On Monday, 18th July, 1898, Mr. T. R. E. McInnes, Your Honor's private secretary, called on me at my office in the treasury. He spoke of the letter of July 14th from the Lieut.-Governor to me, in which the Governor gives his reasons for not signing Fauquier's appointment, etc. He (the private secretary) said that he had written that letter. He said that reasonable way these men will surely Your Honor considered that the result grant our request. of the elections generally was against the and fully supported most of my policy, more particularly that of railways, agriculture and finance. He would, however, want a seat in the cabinet, and if I were inclined to give him that he was quite sure he could bring over two of the prosent opposition Island members to my support in addition to his own. This would give me, in the event of Cassiar being favorable to my government, at least 21 or 22 government supporters. and I should, he thought, have little difficulty in getting over one or two more, A few days after Mr. W. W. B. McInnes latter, Mr. W. W. B. McInnes subse-

LABOR REPRESENTATION

It has been contended that the condiwere in a healthy state there would be a sort of auditors' report. * * * It were in a healthy state there would be no need, and therefore no demand, for class representation, and that men would of the treasury department, and to remote expensive than it is in Ottawa, Tosecure the suffrages of the electors not port on how the administrative business because they were laborers, mechanics or of the province had been carried on by followers of any particular profession, the various department. No government, but because they possessed the confi- of course, is perfect, but the report dence of the community and it was felt seems to us to be negative evidence that that the interests of all classes were safe in their hands. There is certainly a cally managed. The fact that the new sors, but not sufficiently recognized. (Non Personal Liability.)

I hereby certify that I have this day registered the Ainsworth Mining & Smelting Company as an Extra Provincial Company under the "Companies Act, 1897."
The head office of the Company is situate in the Balley Building, Scattle, Washington, U. S. A.
The amount of the capital of the Company is one million dollars, divided into one million shares of one dollar each. ington, U. S. A. The captial of the Company is one million dollars, divided into one million shares of one dollar each. The head office of the Company in this Province is situate in the town of Ainsworth, British Columbia, and J. W. Smith (Notary Public), whose address is Ainsworth, British Columbia, is the attorney for the Company, and said attorney is not empowered to issue or transfer stock. The Company is especially limited under Section 56 of the said Act.

The time of the existence of the Company is fifty years.

The objects for which the Company has been established and so registered are: To carry on the business of minling, milling, smelting, and reduction of ores of all kinds; to work, operate, buy, sell, lease, locate, acquire, procure, hold, and deal in mines, metals and mineral claims of every kind and description in the United States of America and the province of British Columbia, Canada; and to carry on and conduct a general mining, smelting, milling, and reduction business; and to purchase, acquire hold, erect, and operate electric light and power plants for the purpose of mining and treating ores, and for the purpose of mining in the first and creating power for all purposes; and to bond, buy, lease, locate, hold ditches, funes and water rights; and to construct, lease, buy, sell, build, and operate rallocads, ferries, steamboais, tugs tramways, or other means of transportation for transporting ore, mineral and other materials; and to own, bond, buy, sell, lease and locate timber and timber claims; and finally to do everything consistent, proper, and requisite for the carrying out of all the aforcald objects and purposes in their fullest and broadest sense. Within the territory heretofore mentioned.

Given under my hand and Seal of Office fore mentioned, and Seal of Office crotia, Province of British Columbia, twenty-sixth day of May, one thou-II) S. Y. WOOTTON. Registrar of Joint Stock Companies
