

A TRIP TO ST. JOHN IS LESS THAN COMPLETE Without a Visit to "OAK HALL."

SCOVIL BROS & CO.

One of two things we mean always to do. We mean to sell you better Clothes than you can get elsewhere for the same price; or we mean to sell you the same Goods as you would get elsewhere, at a lower price. Are we not doing both?

Boys Clothing.

Boys Clothing starts with suits for small boys, 4 years of age, just putting on pants. Sailor Suits and two-piece Pleated Suits that button to the neck. Some Suits are double-breasted, with or without sailor collar. For boys 4 to 10 years of age: \$2, \$2.25, \$2.50, \$2.75, \$3.00 and so on up to \$5 a suit.

Boys Again.

Boys that are 10 to 15 years of age wear suits with a vest and short pants: \$3.75, \$4.00, \$4.50, \$5 up to \$8. We are sorry that people are sometimes obliged to buy cheaper clothing for the want of money to buy the best.

SCOVIL BROS & CO.

To know a good Store is worth a dozen bargains. Our store is just running over with good Boys and Mens Clothing, good Furnishings and Good Will. We won't make it unpleasant by coaxing you to buy something perhaps your circumstances won't admit of. "Your money back if you want it."

Men's Suits:

Style is single and double breasted sacks and 3 buttoned cutaway. Sack Suits mostly Tweed, are priced like this: \$7, \$8, \$9, \$10, \$11, \$12, \$13, \$14.00, \$15.00. Money back or a new suit free for any that fail to come up to the mark. Black sack suits are \$8, \$10 and \$13. Black cutaway suits are \$11 to \$15.

Stouts

Are suits for stout men. Stout men are those who measure as much, or more, at the waist as at the chest. Blue Serge Suit \$8.50; Tweed \$12 and \$14. Stout men can get fitted perfectly now. We won't let you go to a tailor if we can help it.

SCOVIL BROS & CO.

Visitor to the City, there are sights worth seeing at the Store. You are welcome to see all we can show; to all the information we can give, without being urged to buy. It's a chance to see the new things, leave your measure and then, when you are quietly settled at home, and there's something you need, how easy to order.

Men's Ulsters

At four prices, 5, 7, 9, 11 dollars—that's easy to remember. All heavy freize cloth of four qualities, each of which we will back up with "money back if you want it." We have the Ulster trade for three years, and we are now better prepared for it than ever. It will be funny if we don't have more of it this year. Here is a good place to say this: if at any time a year ago you bought an Ulster, or any thing else that has since turned out wrong, if you bring it back we will make it right with you—give you back "your money if you want it."

Our Book about Clothes will be ready shortly. Write for it—free—tells you all about our Clothes. A postal will bring it to you.

SCOVIL BROS & CO.

Suits, Overcoats, Ulsters, for boys and men, are open to inspection at your pleasure—you will not be urged to buy. You have a right to "your money back if you want it," here, there and everywhere. We say so and do so. Its your place to see that others do the same.

GROWING! Is still the story. A healthy business doesn't stand still; widening, gaining, doubling on last year's business is the record that the autumn days tell. Each week the store comes to be better known and to hold a higher place with those who already know it.

We keep talking Fall and Winter Clothes because you ought to be thinking Fall and Winter Clothes. The reasons you will find here when you come.

You'd think sometimes, when you listen to store talk, that there was nothing left to be improved upon. That the best of today would be the best of tomorrow, next week, next year. We expect this—our best of today is not as good as our best will be a year hence. Our aim is to have as good as anybody's best of today, or a little better—a great deal better, if we can. The Clothing

SCOVIL BROS. & CO.

It is time it were known that our stock of Boys and Men's Clothing is the finest in St. John—as fine as any stock in Canada. We have the daintiest things for persons who have money to spare. We have nothing but what we can back up with "your money back" if you want it.

prepared for you by us, for the coming winter, is the best Ready-to-wear Clothing we ever had. The Cloth makers supplied us with better Cloths, for less money than before; the cutters and makers have done what we asked of them—better fitting, better made Clothes than ever. We look forward to a season of satisfaction; a season of selling plenty of good Clothing, that we can back up with money "your money back" if they're not right.

It is time it were known that our stock of Clothing is the finest in St. John.

We know perfectly well what this assertion implies. We expect its truth to be questioned and TESTED. We are not ignorant of the large and excellent assortments carried in other stores. We are not disparaging their skill, their facilities, or their taste. We simply say, after giving due credit for all of these, that the greatest

SCOVIL BROS. & CO.

Some of our Clothes are very fine; but three points we never lose sight of: (1) They must be all wool; (2) Color must be fast; (3) They must be strong. We have to pass by many a pretty pattern because it does not fulfil these conditions. Bring it back for any fault, yours or ours, and get "your money back."

and best collection of fine Boys' and Mens' Clothing, in St. John, is to be found at this store. In buying a Boy's Suit, every mother wants to know where she will find the largest and best collection of the finest goods. She may go to other stores also; but she will be certain to go there. She may look at other stocks afterwards; she wants to see the chief stock first. That stock is here.

These are strong words. We want them believed; therefore we think it well to say here, that every statement just made has been carefully weighed and considered. We seek your trade on the ground of your reliance in their truth.

At the residence of the bride's parents, White street, last evening, Rev. W. O. Raymond united in marriage W. F. Moore, a popular member of the Artillery band, and Miss Ida Anderson. That portion of Prince William street near Duke street and the custom house will bear watching by the police. It has developed attractions in the evenings far beyond its ordinary merits. The closing of the Algonquin hotel at such an early date is as disappointing to the management as it is to the townspeople. At the best the tourist season is very brief, but this year the cool weather and the meeting of such large bodies as the Christian Endeavourers and the Knights Templar in Boston have made the season unusually short and diminished the amount of travel very materially. August was the only month in which the hotel was really full—Beacon.

The Women's council met in the parlour of the Y. M. C. A. Thursday afternoon. Lady Tilley presided, and there was a large gathering of ladies.
