A Question
for YOU to ask yourself, Brother Rotarian.
Service. What is Service?
Ourselves we ask, are we as a store,
meeting our opportunities? Are we serving
the community which has made our
present success possible? -- to the best of
our ability? Our store will endeavor to go
beyond the word "Service" that its
application will start when a customer
enters our store, in the attention also re-
ceived, in our willingness to please, and to
appreciate that the best advertising that
any store can have is a satisfied customer
always.
