All Worried Women  
Need Rich Blood

If the Blood is Not Kept Pure  
Health Will Break Down.

It is useless to talk a hard work-  
ing woman to take life easily and  
not to worry. To do so is to ask the  
almost impossible. But, at the  
same time, it is the duty of every  
woman to save her strength to meet  
any unusual demands. It is a duty  
she owes herself and family for her  
future health may depend upon it.

To guard against the complete  
breakdown in health the blood must  
be kept rich, red and pure. No other  
medicine does this so well as Dr. Wil-  
liams' Pink Pills. This medicine  
strengthens the nerves, restores the  
appetite and keeps every organ  
healthily toned up. Women cannot  
always rest when they should, but  
they can keep their strength by the  
occasional use of Dr. Williams' Pink  
Pills. Among those who have found  
benefit from this medicine is Mrs.  
Cora Conrad, Broad Cove, N. S., who  
says: "My system was very much  
run down, and my blood poor and  
watery. I suffered a great deal from  
headaches and dizziness; by appete-  
lite was poor, and I tired easily. I  
decided to try Dr. Williams' Pink  
Pills and have every reason to be  
glad that I did so. Soon I felt bet-  
ter, and under the continued use of  
the pills the headaches and dizziness  
were gone, and my blood seemed in  
a better condition than before. For  
this reason I recommend Dr. Wil-  
liams' Pink Pills."
