

Ottawa, September 19, 1946.

EX'D.
A.

Dear Colonel Randle:

Further to the Director's letter of September 16, I can now give you the details of my intended visit at your invitation to the Six Nations Indian Fair. I will arrive on Thursday September 26 on C. N. R. No. 17 (Inter-City Limited) due into Brantford at 10.30 A. M.

Unfortunately, I have to be back in Ottawa for Saturday the 28th, so I will be unable to spend the Friday with you. I will be leaving, therefore, on Friday afternoon at 1.30 P.M. on the C. N. R. No. 6. I hope to have a quick look around the schools on the morning of the 27th and would like very much to meet Mr. Hill, your Principal, and as many of the other teachers as I can. I will be attending the Teachers' Convention in Sarnia in early October and will have an opportunity of speaking to most of our teachers on that occasion.

I have been looking forward to meeting you for some time now and, as you know, car trouble prevented my last anticipated visit. I understand you are arranging hotel accommodation for me for the night of Thursday September 26.

Sincerely yours,

Bernard F. Neary,
Supt. of Welfare & Training.

Lt.-Col. E. P. Randle,
Indian Superintendent,
Brantford, Ontario.
