

The British Pharmacopœia

is the Recognized Standard 

At the request of many of our patrons we have added to our list of medicinal products a complete line of Chocolate-Coated Tablets of over two-hundred formulae. We guarantee these Tablets to be made by the most approved processes and of the best material. For beauty of finish they are unexcelled; while the chocolate coating renders the Tablets palatable to the most fastidious patients.

We have added to our list the following Chocolate-Coated Tablets representing the quantities specified of B. P. Tinctures named :

Aconite Tincture, B. P., 1 and 5 minims.
Belladonna Tincture, B. P., 1 and 5 minims.
Camphor Compound Tincture, B. P., 2, 5, 15 and 30 minims.
Cannabis Indica Tincture, B. P., 5 and 15 minims
(Indian Hemp Tincture, B. P.).
Capsicum Tincture, B. P., 1 and 5 minims.
Cinchona Tincture, B. P., 30 minims.
Colchicum Seeds Tincture, B. P., 5 and 15 minims.
Digitalis Tincture, B. P., 1 and 5 minims.
Gelsemium Tincture, B. P., 5 and 15 minims.
Ginger Tincture, B. P., 5 and 30 minims.
Hyoscyamus Tincture, B. P., 15 and 30 minims.
Nux Vomica Tincture, B. P., 1 and 5 minims.
Opium Tincture, B. P., 1, 5, 15 and 30 minims.
Strophanthus Tincture, B. P., 1 and 5 minims
Stramonium Tincture, B. P., 5 minims.

We wish to emphasize the importance of specifying "P. D. & Co." whenever it is the desire of the druggist or physician to obtain our Chocolate-Coated Tablets or other products of our manufacture.
