## AMERICAN NEWS.

Thomaston, Me., Aug. 17. The Rebel steamer Tallahassee, yesterday destroyed 25 vessels off Matinicus Rock. She was manned mostly by Nova Scotis men. After sending the crews and passengers of the vessels destroyed by her into a French ship, by a small craft, she steered in

an easterly direction.
Louisville, Aug. 17.—The rebel Lieut. Wheeler, 1700 cavalry men demanded the surrender of Dalton, Ga., on the 16th inst., of Col. Bold, of the 2nd Ms., commanding at that post. The force of Col. Bold numbers 100 men. A slight skrimish was going on when the last train left. General Steadman being telegraphically advised of the movements of the rebels, started with a large force from Chattanooga in pursuit of them. The latest heard from Dalton was just at nightfall on the 14th, when cannon-

ading was going on.
Chicago, Aug. 17th.—The Dakotah Union of the 9th instant says : - A rumour is prevalent at Fort Randall that Indian runners have arrived among the Yankees with the intelligence that General Sully had had a battle with the Indians in Tenrif Hiver, and had been disastrously defeated. The rumor needs confirmation.

The rebels are mining extensively along

he lines of our fortifications. So far, all attempts to repeat upon us the Petersburg earthquake have been rendered bortive by the viglance of our commanders. LOUISVILLE, Aug. 16 .- 30 guerillas attacked Alma, Livingston Co., gar-risoned by 30 men of the 4th Kentucky, and ffer a sharp fight were repulsed with a loss of 8 killed, 15 badly wounded, several cap-tured. The Federal loss was 3 killed, 1 1. Several horses on each side were killed. Twenty five guerillas were in Losinbale Co. on Sunday night near the Ohio river, they had been riding down the road to West

ple there, they plundered West Point of \$4,000 in goods and money. About 70 gueritlas are in Brownsboro under Hall, plundering the town and causing reat excitement.

The cavalry, under Gregg, took Charles ity road, where, after a sharp engagement, Hampton's rebel region was driven in coniderable confusion, retiring at last in a ortherly direction, and not immediately Londonderry on the 5th, passed Father upon Richmond.

The infantry pushed forward on the other mads, but found them well fortified and well Early in the afternoon Gen. Barlow, with portion of his command, charged one line

rifle pits and took it. The enemy fired stubbornly with artillery ad nrusketry, but our assaulted position a sort of isolated crest, and took it and now

Gen. Sheridan lost 200 wagons, near Boyille, on the same day:

Late advices state that Gen. Sheridan has allen back to Winchester, where he will fortify himself, and act on the defensive. If his really be the case, it would seem to indicate that Early has been so heavily reinneed as to make him too strong for Sheri dan to attack.

## DEPREDATIONS OF THE CONFED. ERATE CRUISER TALLAHASSEE.

Boston, Aug. 15.—The schooner R. E. Perker, of Richmond, Me., Capt. Mutson, Hole on the 14th, having been captured by the pirate Tallahassee at sea on the 12th inst., lat. 40°, lon. 71°, and bonded \$10, quiet and steady. Rice inactive Resin London, Aug. 11.—American securities 000. The Tallahasse captured on the 14th steady. Billow and Spokane were transferred to the R. E. Perker, and landed at Holme's Hole. Consols quoted at the close on Wednesday at 85% to 89% for money. the vessel was then scuttled. Spokane was set on fire. Both vessels were loaded with THE DANO-GERMAN QUESTION.

ILLEGAL IMPRISONMENT OF A

BRITISH SUBJECT IN FORT

LAFAYETE.

A fresh set of despatches has just been published relating to the disgracefeful and lawles imprisonment of the Melugh has at last been age at liberty; but the manner of his release has been only consistent with the unjust and discreditable character of the unjust and discreditable character of the whole affair. Although Mr. McHugh had been in prison since the 18th December last, and although the trivial charges trumped up against him were proved on inquiry by a paginst him were proved on inquiry by a military commission, appointed by the Government, to be utterly unfounded, he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July, and when he was released at last not July and when he was released at last not July and when he was released at last not July, and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not July and when he was released at last not detained in Fort Lafayette till the 4th of July, and when he was released at last not the slightest reason or apology for his long imprisonment was tendered. But the proceedings of the Federal Government immeceedings of the Federal Government immediately before his release were more remark-time of the succeeded in struggling to the shore of this limbs. Efforts are being made diately before his release were more remark-time of Mr. Mellugh to get him off from his perious position. diately before his release were more remarkable still. The liberation of Mr. McIlugh able still. The liberation of Mr. McIlugh was first ordered on condition that he took the oath of allegiance to the United States, and gave his parole that he would instantly and gave his parole that he would instantly and gave his parole that he would instantly and gave his parole that the would instantly by throwing him a rope with a stone at the way of prenting that would make me to one of his limbs. Enorts are being made the poor people of this Province, good luck to thim, "Terry," sez he to me no later than last night, "is it a dirty twelve hundred and fifty pounds a year and an add little job in the way of prenting that would make me and gave his parole that he would instantly by throwing him a rope with a stone at unit the country and not return during the by throwing him a rope with a stone at tached, he managed to draw a pail of proster over and shake hands wid John A. or war. Mr. McHugh refusing to comply with these conditions, that relating to the oath was withdrawn. But Mr. McHugh refused also to give his parole, and then it was orfined £150 sterling, and warned not to redered that he should be released without any dered that he should be released without any conditions whatever! It is hardly possible to conceive how any Government with the slightest sense of dignity could bring them. slightest sense of dignity could bring them-selves to sanctien such a proceeding as this. One very important part of the depatches discovered by the depatches of the depatches of the depatches discovered by the depatches of th One very important part of the depatches removes a most unjust imputation which had been east on the character of the British been east on the character of the British Minister in America. It was said that Lord Lyons had advised Mr. McHugh to procure his discharge, by either money or intrigue. It is now, however, clearly proved that this advice was falsely attributed to Lord Lyons by a certain Dr. Cauty, himself a British subject released from imprisona British subject released from imprisonment, who attempted by this means to extort money from the prisoners.

The morals of this sthreet too are immediate remedy. ber of the Legislature, fit to deal with the subject, will take it up when Parliament next meets. The existing state of the law in the premises is demoralizing on its influence on the public service generally, for the conduct of the disreputable persons to whom Ill C shares, 45 to 43 discount; Eries we allude is highly injurious to the interest shares, 40 to 42. Consols close at 887 to 89 and character of their more respectable brethren who we know regard them as a nui-ance and a disgrace. We are aware that there are difficulties in the way of legislation on this question; but they are not unsurmountable difficulties. By the last English Bankrupt Law it is declared that if the Bankrupt is entitled to pay, half-pay salary or emolument from the Crown, the Court may communicate with the chief of that department of the State under which the pay &c., is consigned, and upon receiving his order and sanction for the payment of certain portion of it to the assignee that portion shall be so paid until the Court or

The Herald of Progress, a spiritualist newspaper, and we think the most widely circulated of the papers devoted to spiritual price of paper, and is dead. The spirit don't seem to have taken proper care of their organ. With the power of diviniation, why didn't they instruct its proprietors to lay in a stock of paper before prices advanced ?-Cincinnata Commercial.

This is is not all the story. Andrew Jackson Davis, the seer, who was editor of the Herald of Progress, furnished a column to that paper which he called the "Air Line Telegraph," in which he professed to foreeast military and political events. Being a fanatical abolitionist, he was always predict ing victories which never were realized. When Gen. Grant's last campaign opened Davis stated upon the authority of the spin its that the Union army would destroy the rebel army and that gold before the first of July would fall to par. This pleasant fic-tion went to the rounds of the press, but, shortly after, gold went up to 240, and we did not have victory. The reason
