I will do my best and one thing I ask is that you elect as far as possible the old chairmen of last year."

## Uric Acid in Meat Brings Rheumatism

Says a Little Salt in Water May  
Save You From Dread At-  
tack.

Rheumatism is easier to avoid than to cure, states a well-known authority. We are advised to dress warmly; keep the feet dry; avoid exposure; eat less meat, but drink plenty of good water.

Rheumatism is a direct result of eating too much meat and other rich foods that produce uric acid which is absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine. The pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed, thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate the uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinges of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoonful in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism.

tion of a branch of the Victoria Order of Nurses. He mentioned the purchase of wood and as the wood might not be needed this year it was up to the Council to see that it would be disposed of to the best advantage.

Councillor Merlinger congratulated old members on being elected and with the addition of the former speaker the Council should be even stronger than last year. Councillor Cochran was rather surprised to find himself here this year. "I much prefer taking a little auto trip during the summer especially at Council meetings but as I am here again I will do my duty to the best of my ability."

Reeve Bohlander took exception to a remark made by Mr. Moyer that the flag was taken down and in explaining it stated that as the flag was being torn by the wind he had taken it upon himself to have Mr. Simpson take it down. However in future he would leave it to the chairman of the Town Property Committee to deal with in the coming year.

It was finally decided that the entire Council be a Striking Committee.

Mayor Kutt was unanimously appointed chairman of the Striking Committee. The committee went in to the question fully and to-night recommended the slate as decided by them. The Council adjourned at 12 o'clock noon to meet again at 7:30 o'clock when the first Meeting will be held.

Following the inaugural Meeting of the Council the names of the old chairmen were decided on viz: A.H. Cochran, Chairman of Finance; D. Bohlander, Chairman of Fire, and Light Committee; Deputy Reeve Stroh, chairman P.D. of Works; A.C. Moyer, Chairman, Town Property, and Mr. A. Foster, chairman Tree Committee, which will be submitted to the Council to-night for approval.

At the Meeting all the members were present except Ald. Sturm who was unable to attend being owing to illness.

## A LETTER Can You Write One?

### Thirteen Prizes To Be Awarded in a Letter Writing Competition

Some years ago the Dr. Williams' Medicine Co., of Brockville, Ont., offered a series of prizes to residents of Ontario for the best letters describing cures wrought by the use of Dr. Williams' Pink Pills for Pale People. Hundreds of letters were submitted in this competition and yet there must have been thousands of other users of the pills who did not avail themselves of the opportunity to win a prize. To all these another letter writing competition is offered. Thousands of cures through the use of Dr. Williams' Pink Pills have never been reported. These will furnish the material for the letters to be written in this contest. There is no demand upon the imagination; every letter must deal with facts and facts only.

The Prizes: The Dr. Williams' Medicine Co., of Brockville, Ont., will award a prize of \$25.00 for the best letter received on or before the 20th day of February, 1919, from residents of Ontario, on the subject: "Why I Recommend Dr. Williams' Pink Pills." A prize of \$10.00 will be awarded for the second best letter received; a prize of \$5.00 for the third best letter, and ten prizes of \$2.00 each for the next best ten letters.

The Conditions: The cure or benefit from the use of Dr. Williams' Pink Pills described in the letter must be in the writer's own case, or one that has come under his or her personal observation. More than one cure may be described in the letter, but every statement must be literally and absolutely true.

Every letter must be signed by the full name and correct address of the person sending it. It describes the cure of some person other than the writer of the letter, it must also be signed by the person whose cure is described as a guarantee of the truth of the statement made.

The writer of each letter must state the name and date of the paper in which he or she saw this announcement.

Final writing will not win the prize unless you have a good case to describe. The strength of the recommendation and not the style of the letter will be the basis of the award. It is understood that The Dr. Williams' Medicine Co. shall have the right to publish any letter entered in this contest if they desire to do so whether it wins a prize or not.

The contest will close on February 20th, 1919, and the prizes will be awarded as soon as possible thereafter. Do not delay. If you know of a cure write your letter NOW. The above conditions carefully or your letter may be thrown out.

Address all letters as follows: The Dr. Williams' Medicine Co., Brockville, Ont. Letter Contest Department.

## Consent Necessary Before Prosecuting

Ottawa, Jan. 11.—The order-in-council passed September 25, 1918, respecting unlawful associations and publications has been amended by requiring the assent to, or the approval of, any prosecution under the regulations by the attorney-general of the province in which the offense is alleged to have been committed, and by giving the accused the right to elect whether he shall be tried by a magistrate or a jury.

The consent of the attorney-general and the right of trial by jury should provide against any unwarranted prosecutions for technical violation of the order, where there does not appear to be substantial grounds for prosecution. The criminal code contains provisions against sedition, under which prosecutions may also be instituted. The question is now before the department of justice as to what amendments, if any, should be made to the code to render unnecessary the continuance of the existing order-in-council.

In the meantime, it is considered to be in the public interest that the order be continued.

## Communications to the City Council

The following communications were received by the City Council at the first meeting today:

From the Canadian Reconstruction Association. With the cessation of hostilities Canada is facing critical reconstruction problems. Between 300,000 and 350,000 soldiers have to be re-established in civil life. As many munition workers must be provided with other employment. Altogether between 1,200,000 and 1,500,000 persons out of a total population of 8,000,000 will be affected vitally by reconstruction to peace conditions. It is imperative that employment should be provided, that the labor market should not be congested, and that fair wages should be maintained. The Dominion is undertaking extensive public improvements. The railway companies have announced large construction policies. Many industrial companies are preparing programmes which will involve an expenditure of millions of dollars. But there is a direct responsibility upon each municipality for the welfare of its men who have given vital sacrifice overseas. Failure to provide employment will only result in idleness and misery to individuals, but it will destroy the labor market, lower municipal revenues, produce industrial and commercial depression and affect national prosperity. Municipalities throughout Canada have made great war sacrifices. If there is failure to meet the needs of the reconstruction period much of the value of these sacrifices will be lost, while if the country can be carried safely through the next twelve months, it will likely enter upon a long period of expansion and prosperity. A maximum of municipal activity will facilitate reconstruction. Without it, conditions will be difficult and may be critical. The Minister of Finance has removed restrictions upon municipal borrowing and steps may now be taken to free for financing reconstruction activities.

The Canadian Reconstruction Association respectfully appeal to all Canadian municipalities to provide for local improvements by the resumption of public works. It is suggested that a survey be made in each municipality, in co-operation with the local business men, of building operations which have been delayed by the war, and of other necessary construction work, which can be started without delay. A well considered program could then be prepared in each municipality and put into effect. It may be adopted in many cases municipal construction plans will not have to be carried out in full, but the fact of having adequate works under way will serve as a valuable measure of insurance against possible unemployment or a serious collapse in wages.

J.S. Willison, President, The Hospital for Sick Children through Irving E. Robertson, chairman of the appeal committee, wrote requesting the Council to make a grant to the Imperial Order Daughters of the Empire, through Helen McGillivray, National Secretary, wrote asking the municipality to forward the subscription of \$200 as soon as possible, which they state was promised for furnishing a house for the contribution for general French Relief.

The Municipal world wrote asking for a renewal of subscription. Applications for soldiers insurance on the lives of two local deceased young soldiers were received. The official certificates of death were also received from Ottawa.

Willington to Waive All Exemption. The Canadian Consolidated Rubber Co., through Mr. T.H. Rider, president wrote: "We are willing, as of January 1st, 1919, to waive all exemption privileges in the agreement entered into with your City in 1913, in connection with the erection and establishment of the Dominion Tire Factory, provided you release us from all further obligations in connection with that agreement."

A 1918 Resolution. "I beg to advise you that the following resolution was passed by the Council of 1918 and I was instructed to place the same before you for your consideration, viz: Moved by Ald. Campbell, seconded by Ald. Bowman:

"That this Council express its sympathy with the action of Montreal and other Corporations in opposing the increase in rates of the Bell Telephone Company, and recommend the incoming Council to take the proper steps in that direction."

Stratford On the Highway Question. "Some time ago a large deputation including your representative waited on the Ontario Government asking that the new Provincial Highway from Toronto to Windsor be built via Georgetown, Guelph, Kitchener, Stratford etc. to London. Since then the Prime Minister has intimated that line will be built from Hamilton to London via Brantford, Woodstock, Ingersoll etc.

We feel that the large and populous section of the country north of the proposed road could not be served and that a second road should be built from Toronto to Sarnia via Georgetown, Guelph, Kitchener, Stratford and St. Mary etc."

"With the view of obtaining united action we propose to have representatives of the different municipalities interested meet at Stratford, or some other central point and arrange for a deputation to wait on the Ontario Government, not that we wish to interfere with the plans of other municipalities but to pre-
