"This is a Commentary of a practical and devotional, rather than of a critical, kind. . . . Its unflinching good sense, its discriminating thought, its high moral tone, its simple piety, and its altogether singular felicity of practical application, combined with the well-sustained flow of its English style, has secured for it, and deservedly, the foremost place among the works of its class."

A NEW GAME  
~~~~~  
**The Epworth Wheel of Knowledge**  
THREE GAMES IN ONE.

This new and popular Game is issued in behalf of a League that desires to aid financially the Master's work.

It is a Game of Questions and Answers. Each box contains 200 question cards, with 200 corresponding answer cards. In No. 1 Game, these are distributed among groups of persons called *wheels*, and the wheel securing the most answers to its question cards within a given time, wins the game.

Any number of persons may play at the same time. In this the Game is especially appropriate for socials and "at homes." The company are kept constantly on the move, and very quickly are made acquainted and put at ease.

The questions have been selected from a great variety of common subjects—many of them from the Bible. They impart much useful information. A number of blank cards are enclosed with each box, for local "hits."

Every League should possess itself of this delightful game. It never fails to please. It is adapted to any place or occasion, and is especially good in the home. A full descriptive circular accompanies each Game.
