

RED DEVILS DEMOLISH TOMMIES

by Pete Jensen

Herb Madill led the fired up UNB hockey club to a convincing 15-7 victory over a short handed STU squad before a capacity crowd at the Winter Carnival Annual Tilt at the Lady Beaverbrook Rink Saturday. Madill clearly stole the show as he flashed the Red Light no less than seven times

out of the possible 10 shots that he took on the net. In an after game interview with him, Herb could only murmur "unbelievable". "You know", Madill stated, "I never got one good shot on the net during warmup".

Coach Bill McGillivray, being as cautious as ever, point-

ed out that STU were missing key personnel. In a talk after the game Coach McGillivray underlined the reason UNB has come alive. He told the players "You play 100% and you'll stay with the club". He added "There's no sure starter on this club and only desire and effort will keep you up with the Varsity."

Other UNB marksmen Saturday were Winslow with 12, Andrews, Bird, Lutes, MacDonald, McIntyre and Shannon with singles. Hachey led STU with a hat trick, Meehan had a pair, and singles went to Douce and Kent.

The Winter Carnival trophies for the most valuable players from each squad went to Madill of UNB and Hachey of STU.

Red Devils played two games at Memorial Monday and Tuesday but the big one is here Saturday at 7:00 p.m. when they entertain the X-Men. A capacity crowd is expected as the Devils tangle with the unbeaten, untied St. F.X. squad.

Raiders Remain in Running

Rod Cox's determined stick-to-itiveness in the dying moments of the closely fought match earned UNB a 60-58 victory last Wednesday night over the strong Acadia University Axemen who had just last week humiliated the Raiders by an astonishing 81-48 defeat.

With less than three minutes remaining Acadia led 58-53. Cox's extraordinary effort of seven points in the final seconds gave UNB the win.

Team captain Dave Hill led the Raiders attack with seventeen points. Cox and Peter Barr followed closely with fifteen and thirteen points respectively.

Brian Henry, the league leading cager led the way for the Axemen with twenty-one points. Tom Estabrooks potted twenty points for the losers.

UNB had eleven fouls against them, while Acadia had twelve. At the foul line UNB was good on 12 for 15, Acadia 6 for 15.

Ricker Loses

Aggressive rebounding by Bob Bonnell, Peter Barr, and Dave Hill was the main contributing factor that led to the defeat of Ricker College of Maine by a 71-58 score. Earlier this season the Raiders had been trounced by the same team by more than 30 points. Dave Nutbrown, team scoring leader, racked up 27 points in the slow, loosely fought battle.

Double Trouble

Without a doubt the Raiders face their toughest challengers of the season this weekend as they face the top two teams in the league in Halifax. Both games are a must for the Raiders in order for them to finish on top of the league. A loss to either Dal or SMU would prevent them from retaining the Blue-nose Conference Championship two years in a row.

Without this label  it is not a genuine KITTEN.

Careers in Computer Science

The University of Waterloo will conduct Campus Interviews in February

Students will be interviewed for employment in the Computing Centre. The interviewer will also be prepared to discuss Graduate Programmes in Computer Science and other areas of study in the Faculty of Mathematics with interested students. Students in Mathematics, Engineering, Computer Science, Psychology, Physics, Chemistry and Business Administration may apply.

Write for an appointment to:

J. P. Sprung, Research Analyst, Computing Centre,
University of Waterloo, Waterloo, Ontario.
