

Moustache Party Sat. Afternoon

On Saturday afternoon, February 8th, in the McInnes Room of the S.U.B. there will be what some would consider, a boring afternoon drinking beer and listening to a monotonous band.

So far so dull! Why should you go? Why waste a buck?

Here's why! Waste a buck so you can listen to a live Dixieland band blasting out old gold. Waste a buck to get a genuine English glass beer mug in the admission price and the opportunity to purchase a hairy moustache and boater hat. Waste a buck so one of our twenty beautiful waitresses can bring beer to your own table that will be amply filled with free peanuts and cigarettes.

Take part, or merrily watch Canada's first inter-fraternity and inter-faculty chugging contest. Watch old movies, sing along to the music, enjoy yourself, you'll be sure to have a great time, Saturday from 1-5.

Know something? This doesn't sound like such a waste after all...
