

large shareholders and
large creditors, as
creditors of the Coy &
have no measure
the property of the
Coy is good for its debt
ten times over, if put
to the hammer & sold
and through the Globe
writes most damaging
articles intended to
do mischief - under
such Captions, as

2625
the "Failure of the
CPR" - I have
not found out that
I cannot bear ^{for my} the
tomorrow. I am
regularly at my work
and to know how
to work through till
we can get relief.

The proposal to take
power immediately to
have an proper estimates
would not give us any
money to go on with
